Abstract

Established in 2002 and co-founded by the great-nephew of Alfred Nobel, the National Society of High School Scholars (NSHSS) was created to prepare high school scholars to become tomorrow's leaders. NSHSS annually invites applications for opportunities such as the Claes Nobel Educators, School Supplies, School Club Cash, Innovation in Teaching, and Conference Registration grants for professional development and to support educators with a demonstrated commitment to prepare students for success in college and beyond.

Individual schools may apply.

Abstract

For over 50 years, the American Heart Association has been partnering with educators in elementary, middle and high schools across the nation to help educate students about healthy living. The American Heart Association (AHA) offers grants through its Kids Heart Challenge and American Heart Challenge programs, providing schools with funding to support student well-being and promote healthy lifestyles.

Abstract

EL Education (formerly Expeditionary Learning) is a nonprofit organization that partners with K-12 educators to transform diverse public schools into hubs of opportunity for all students to achieve. Each year, EL Education provides the Better World Week Media Feature Grant to give students an opportunity to work in partnership with each other and their local communities. The grant allows students to produce a mini documentary about their Better World Week project and to engage in work that positively impacts the world around them.
