**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 2140 Jennings Ave.  
Santa Rosa, CA , 95401-9528

**Principal:** Michael Jablonski

**Phone:** 707-890-3906

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About This School

### Michael Jablonski

Principal, Albert F. Biella Elementary School

### About Our School

---

Albert F. Biella Elementary School, built in 1989, serves Kinder Academy through sixth grade students. Our district, staff, parents and students have created the beautiful science gardens and landscaping on our campus. In addition, the school has a library, computer lab, and a canopy over major walkways and the outside eating area. We are implementing the Common Core State Standards, and focusing on 21st century learning skills: Critical thinking, communication, creativity, collaboration, content knowledge and civic engagement. Parent and community volunteer work is important to our academic program. We encourage parents to join the Parent/Teacher Association (PTA), the School Site Council (SSC), and the English Learner Advisory Committee (ELAC). Our staff looks forward to working with you and your children.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Reading/Language Arts	<p>?The Collaborative Curriculum Design (CCD) units of study are an integral part of SRCS' comprehensive ELA curriculum. These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. It is also aligned to the Common Core State Standards and provide students with a variety of ways to master the curriculum.?</p>	Yes	0%
Science	<p>?FOSS (Full Option Science System) is a research-based science curriculum for grades K-6 developed at the Lawrence Hall of Science, University of California, Berkeley. FOSS has evolved from a philosophy of teaching and learning that has guided the development of successful active-learning science curricula for more than 40 years. The FOSS Program bridges research and practice by providing tools and strategies to engage students and teachers in enduring experiences that lead to deeper understanding of the natural and designed worlds.?</p>	Yes	0%
History-Social Science	<p>?Students begin their exploration of History/Social Science using the standards based Pearson Scott Foresman "California History/Social/Science" program from kindergarten through fifth grade. The McMillan/McGraw Hill "California Vistas" program is used in sixth grade in order to prepare students for middle school. Students learn about citizenship beginning in first grade, and in second grade, students explore the lives of both current and historical figures. The theme in third grade is continuity and change, with California the subject of student studies in fourth grade. American History is the focus in fifth, while sixth grade emphasizes ancient world cultures. Woven throughout all grade levels is instruction in geography and the environment and their influence on culture.?</p>	Yes	0%

## School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 12/32/2022 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

## School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	21%	N/A	30%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	12%	N/A	22%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

The School Site Council, which includes five parent representatives, reviews and approves the School Improvement Plan. Parents of children learning English may join the English Language Advisory Committee. Biella's Parent Faculty Association holds several social events and fundraisers each year, which help fund instructional materials for the classroom, PE, music, and computer programs, garden and landscaping supplies and many other items that enhance learning. Parent volunteers serve in classrooms, on field trips and in the library. Please call the principal at (707) 890-3906 to learn how you can volunteer.?

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	2.61%	2.00%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	4.33%	0.00%	2.94%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.04%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**School Safety Plan (School Year 2022–23)**

?Our staff carefully maintains school facilities and grounds. Staff members supervise the playground before school and at morning recess. Noon duty supervisors work during lunchtime. Teachers on duty after school help students leave campus safely. The safety committee updates the school safety plan, and the School Site Council (SSC) approves it annually. Our staff participates in monthly emergency drills. Students learn safety procedures from teachers in classrooms and around campus.?
