

Learning House
2021–22 School Accountability Report Card
Reported Using Data from the 2021–22 School Year
California Department of Education

Address: 203 South A St.
Santa Rosa, CA , 95401-6302

Principal: Victoria Nelson

Phone: (707) 890-3902

Grade Span:

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Victoria Nelson

Principal, Learning House

About Our School

Our Mission

We nurture the life long learner through:

- **Dynamic, project based academics guided by student learning styles, strengths, and interests**
- **An exceptional social and emotional support system that is strengthened by the multi age setting where students and their teachers stay together for 2 to 3 years.**
- **A dedication to creating multicultural awareness and diversity among our staff and students**
- **Connection to the world outside the classroom where students learn from our world's best teacher - our community.**

We Believe

Intelligence goes beyond core knowledge. We educate the whole child, striving for emotional, social and cognitive development through academic endeavor. This allows students to feel supported, safe and challenged.

Each student will cultivate these competencies through the Learning House model.

- **A Learning House is a cohort of teachers and students who learn, grow and thrive together as a community over the course of an academic year. Research shows that students are academically more successful when they have trusted adults in their lives.**

The 5 Core Competencies

Each student will develop these key characteristics through academic and social-emotional learning.

Curiosity - To thrive in the future, you will need a sense of wonder about the unknown, interest in what's new, and a hunger for engaging with the world. Give yourself permission to ask questions and take advantage of opportunities; go explore what's out there.

Empathy - To succeed, you need to understand the experiences, perspectives, and needs of people around you. Navigate relationships with generosity and patience. Imagine yourself in someone else's shoes, then put into practice the emotional sensitivity you learn in the process.

Communication - In writing, speech, and body language, you should be able to make your point clearly and persuasively. Listening and literacy are just as valuable — well-tuned analytical and interpretive skills, hearing other's needs, and responding appropriately are key to effective communication.

Collaboration - By joining forces with others, you make room for a diverse range of voices, skills, and perspectives. More than just working together, you can go beyond getting the best work done to bring the best out in each other.

Focus - Being able to set short and long term goals will allow you to identify learning needs and reflect on potential outcomes. You are able to evaluate your own level of engagement, and organize your learning for success.

School Description and Mission Statement (School Year 2022–23)

Learning House Elementary School is located on the Luther Burbank Elementary School Campus near downtown Santa Rosa across from Julliard Park. Learning House hosts two multi aged classrooms. Learning House shares many services and staff with the Burbank campus including Physical Education and Music teachers, RSP teacher, and other support staff. The campus is filled with caring and dedicated staff, students, parents and community members who work diligently to ensure all children succeed.

Student Enrollment by Grade Level (School Year 2021–22)

Grade Level	Number of Students
Kindergarten	5
Grade 1	9
Grade 2	10
Grade 3	4
Total Enrollment	28

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

Last updated: 2/2/23

Student Enrollment by Student Group (School Year 2021–22)

Student Group	Percent of Total Enrollment
Female	39.30%
Male	60.70%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	3.60%
Black or African American	0.00%
Filipino	0.00%
Hispanic or Latino	39.30%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	0.00%
White	57.10%

Student Group (Other)	Percent of Total Enrollment
English Learners	17.90%
Foster Youth	0.00%
Homeless	0.00%
Migrant	0.00%
Socioeconomically Disadvantaged	35.70%
Students with Disabilities	17.90%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)			391.70	79.66	228366.10	83.12
Intern Credential Holders Properly Assigned			12.30	2.51	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)			21.60	4.41	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)			15.20	3.09	12115.80	4.41
Unknown			50.80	10.33	18854.30	6.86
Total Teaching Positions			491.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2022–23)

Year and month in which the data were collected: December 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	<p>The Collaborative Curriculum Design (CCD) units of study are an integral part of SRCS' comprehensive ELA curriculum. These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. The SRCS Board of Education approved this curriculum in May 2020.</p> <p>Lucy Calkins Units of Study in Opinion, Information, and Narrative Writing. Units of Study to teach Opinion/Argument, Information, and Narrative Writing (BA 2016)</p> <p>Wonders-Wonderworks Foundational Skills Program. Designated ELD program for SRCS English Learners(BA 2017)</p> <p>Link to titles. https://bit.ly/Elem_Curric</p>	Yes	0%
Mathematics	All students are using a new state adopted curriculum. Students in grades Kindergarten thru 5th grade are using Everyday Mathematics which is aligned with the Common Core State Standards. It reinforces math concepts through a variety of means and review s previous concepts throughout the program. Our 6th grade students are using College Prepitory Mathematics. It is also aligned to the Common Core State Standards and provide students with a variety of ways to master the curriculum.	Yes	0%
Science	FOSS (Full Option Science System) is a research-based science curriculum for grades K-6 developed at the Lawrence Hall of Science, University of California, Berkeley. FOSS has evolved from a philosophy of teaching and learning that has guided the development of successful active-learning science curricula for more than 40 years. The FOSS Program bridges research and practice by providing tools and strategies to engage students and teachers in enduring experiences that lead to deeper understanding of the natural and designed worlds.	Yes	0%
History-Social Science	Students begin their exploration of History/Social Science using the standards based Pearson Scott Foresman "California History/Social/Science" program from kindergarten through fifth grade. The McMillan/McGraw Hill "California Vistas" program is used in sixth grade in order to prepare students for middle school. Students learn about citizenship beginning in first grade, and in second grade, students explore the lives of both current and historical figures. The theme in third grade is continuity and change, with California the subject of student studies in fourth grade. American History is the focus in fifth, while sixth grade emphasizes ancient world cultures. Woven throughout all grade levels is instruction in geography and the environment and their influence on culture.	Yes	0%
Foreign Language			0%
Health			0%
Visual and Performing Arts			0%
Science Lab Eqpmt (Grades 9-12)	N/A	N/A	0%

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 12/30/22 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

Last updated: 2/3/23

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

Overall Facility Rate

Year and month of the most recent FIT report: December 2022

Overall Rating	Good
----------------	------

Last updated: 2/3/23

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	--	N/A	41%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	--	N/A	25%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 2/3/23

CAASPP Test Results in Science for All Students
Grades Five, Eight and High School
Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8, and high school)	NT		--		28.72	29.47

Note: Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: For any 2020-21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 2/3/23

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2021–22)

Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5					
7					
9					

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 2/3/23

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2022–23)

Learning House families can be involved with our Advisory Council and district committees. Advisory council steers decision making in our school goals and spending throughout the year. Learning House engages in many community projects and families are encouraged to participate and volunteer in the classroom and on excursions. Learning house families also participate in campus events happening in conjunction with Burbank such as Family Math Night, Music Concerts, Spring Festival and other community building events.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Chronic Absenteeism by Student Group
(School Year 2021–22)**

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	29	29	19	65.5
Female	11	11	8	72.7
Male	18	18	11	61.1
American Indian or Alaska Native	0	0	0	0.0
Asian	1	1	1	100.0
Black or African American	0	0	0	0.0
Filipino	0	0	0	0.0
Hispanic or Latino	11	11	7	63.6
Native Hawaiian or Pacific Islander	0	0	0	0.0
Two or More Races	0	0	0	0.0
White	17	17	11	64.7
English Learners	6	6	4	66.7
Foster Youth	0	0	0	0.0
Homeless	0	0	0	0.0
Socioeconomically Disadvantaged	10	10	7	70.0
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	5	5	3	60.0

Last updated: 2/2/23

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2022–23)

Learning House participates in the Burbank School Safety Plan. A comprehensive safety plan is developed, updated, reviewed, and approved by our School Site Council yearly. District maintenance staff and our custodial staff inspect equipment regularly.

We have implemented the Building Effective Schools Together (BEST) Program which guides staff members in supporting all aspects of our campus, including actively supervising the playgrounds at recess. BEST Program also teaches students about playground safety guidelines and provides incentives and rewards for behavior well modeled. Safety drills, which include evacuation, earthquake, lockdown and shelter in place, are conducted monthly.

Last updated: 2/2/23

D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2021–22)

Title	Ratio
Pupils to Academic Counselor*	.00

* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Last updated: 2/2/23
