Grade Span:

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022–23)

Hilliard Comstock Middle School uses state approved textbooks and other instructional materials in English/language arts, social studies, science, and mathematics, including technology and companion online instructional support to engage our students in their day-to-day learning. We have been using technology and digital apps to engage and support student learning for over 10 years. Teachers collaborate on engaging, interesting and challenging material that support what is necessary for students to learn.

Our highly qualified, dedicated, and caring staff works as a team and meets frequently in small groups to review student progress and plan improvements that help more students succeed. Students and families benefit from timely and systematic interventions that support them whenever problems are encountered.

Hilliard Comstock Middle School takes pride in having one of the safest middle school campuses in Sonoma County. We encourage parents of prospective students to contact us for a personalized tour of the school, so they can see firsthand the positive and productive learning environment that exists at Hilliard Comstock Middle School. Safe School Ambassadors, Community Building Days, BEST behavior reinforcement and "Chill Skills" are just some of the programs we implement to support students. In addition, our Family Engagement Facilitator and Restorative Justice Coordinator works with families, staff and students to provide supportive services.

As an added bonus, Hilliard Comstock Middle School offers a unique after school program run by the Boys & Girls Club of Sonoma County that includes daily tutoring and academic support, as well as a range of recreational classes such as art, drama, dance, scrapbooking, sports, etc. This program is free for all Comstock students. In addition, we have partnerships with local sponsors to provide a "Maker" camp and after school course of study. The "Maker" movement supports students' exploration in Science, Technology, Engineering and Mathematics (STEM) by helping them create and innovate. Santa Rosa Parks and Recreation staff is also on campus with their "Naturalist" program, Soccer club and Summer Basketball Camp.

We also like to add the "a" to create "STEAM": the "a" standing for the Arts. We have band, drama, music, digital arts, fine arts and culinary arts electives.

Hilliard Comstock Middle School emphasizes and celebrates student effort, and our school frequently recognizes students for demonstrating Safety, Respect, and Responsibility, and Kindness as well as effort, academic achievement and improvement. We are proud to have a culture of success at Comstock Middle School. Our school vision can be summarized as "Together we Believe; Together we Achieve." This statement reflects our fundamental commitment to work as a team in order to ensure the success of every child entrusted to our care. Collaborative and caring relationships characterize our work at every level among staff, as well as with parents and students.

Likewise, our mission reflects the rich diversity of our student population: "At Comstock, our mission is to inspire our students to be global thinkers who will thrive in the 21st Century. We are devoted to developing academic excellence, creating a nurturing environment and fostering an innovative approach to learning. We will cultivate in students a desire to understand, a capacity for tolerance, and an ability to appreciate the ethnic and cultural diversity that make up humankind."

We are developing future community leaders at HCMS, and we are proud that our school's population mirrors the diversity of California as a whole. This richness helps prepare our students to appreciate and thrive in the culturally rich and global society that they will inherit as adults.

Hilliard Comstock Middle School is a wonderful example of how schools can improve and excel. In 2014 we won Sonoma State University's Jack London Award for our Project Make program as well as the California School Board Association's Golden Bell Award for program innovation. Those familiar with what has occurred at Comstock in recent years understand that this school is all about student achievement and success. Our staff's unrelenting dedication to the success of every child and our willingness to do whatever it takes to help students progress are part of what explains how Comstock's students are continuing to grow and achieve.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 12/28/2022 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22

Mathematics (grades 3-8 and 11)	N/A	6%	N/A	25%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2022–23)

We consider parents equal partners with us in the school community, and we actively reach out to families and encourage their involvement in many different ways. Opportunities for involvement range from collaborative governance of the school to assistance with special projects that directly benefit individual students.

Our Family Engagement Facilitator specifically reaches out to families to provide connections with community services, and to help them engage with their student's academic success.

The School Site Council (SSC) includes parent members and assists in the development of the School Plan and oversight of multiple budgets. Comstock's parent group meets monthly and works on projects such as campus beautification, student social events, and supporting a variety of school programs (e.g., emergency preparedness, etc.) Past projects have included campus beautification, refilling emergency backpacks, and supporting teachers. The English Language Advisory Council (ELAC) is a committee for parents of students learning English as a second or third language and supporting them and their families.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	7.78%	6.03%	2.45%
Expulsions	0.69%	0.11%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	12.33%	0.08%	6.40%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.05%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

School Safety Plan (School Year 2022–23)

Student safety is paramount at Comstock Middle School. Attentive student supervision takes place throughout the day, including before and after school. At lunchtime, administrators, a full-time campus supervisor/student advisor, and teachers monitor students. Every year our safety committee revises the school plan, which the School Site Council (SSC) approves. While many other middle schools are quite large, our school is small, which contributes to a sense of belonging for students and a positive learning environment in which each child is known and respected as an individual.

From the first day of school, we instruct students in the importance of safety, respect, and responsibility. Lessons provided through a daily advisory class help students understand how these values provide the foundation for all school rules. We focus on, encourage, and celebrate positive behaviors. Positive consequences are emphasized over negative ones, and our students learn that they are responsible for making the right choice for themselves and others.

Further, each month an emergency preparedness drill is conducted on campus: fire, earthquake and lock-down drills are reviewed, practiced and modified to be more effective. Our staff safety committee works to update equipment and protocols to ensure the safest campus possible. A full-scale emergency operations plan is in effect and can be reviewed upon request.

Types of Services Funded (Fiscal Year 2021–22)

Hilliard Comstock Middle School coordinates multiple supplemental funds to maximize their effectiveness and to minimize the impact of periodic shortfalls in basic state funding. State lottery funds are used entirely for classroom instructional materials. Federal Title I funds support professional development and provide additional instructional materials; they are used also to support parent involvement. Title II funds provide additional support for professional development. School and Library Improvement funds support technology and improvements in the overall program. California’s local control accountability funding is reflected in the School Plan for Student Achievement which reflects the values and mission of the school and the district.

Comstock students benefit also from a variety of grants that enrich elective and physical education programs, as well as our offerings after regular school hours. (We provide a daily program of academic support and recreational classes from the end of school until 6:00 p.m.)
