Grade Span:

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Maria Carrillo High School was founded in 1996. Students engage in activities across the curriculum that require them to be Powerful Producers, Universal Citizens, Masterful Communicators, and Active Learners. As a result, students consistently achieve high overall test scores on standardized tests and are successful in the post high school endeavors. MCHS offers 37 different athletic teams, 31 campus clubs and organizations, and a varied calendar of social activities. Humanities, a ninth grade course integrated with the English program, are a specialized graduation requirement for MCHS students.

Academics are the primary focus of any high school and that includes Carrillo. MCHS maintains a systematic and comprehensive guidance program to support students in achieving a positive and productive high school experience. Counselors guide students in selecting a course of study to best ensure success in high school and to plan for the years beyond graduation.

School Description and Mission Statement (School Year 2022–23)

The staff of Maria Carrillo High School, in partnership with students, parents, and community members, provides a challenging, caring and safe educational environment which prepares students to become Powerful Producers, Universal Citizens, Masterful Communicators and Active Learners. Maria Carrillo High School was founded in 1996. Students engage in activities across the curriculum that require them to communicate clearly, study effectively, solve complex problems, think critically, work creatively, make decisions, and learn independently. As a result, students consistently achieve high overall test scores on standardized tests. MCHS offers 37 different athletic teams, 60 campus clubs and organizations, and a varied calendar of social activities. Humanities, a ninth grade course integrated with the English program, is a specialized graduation requirement for MCHS students.

Program Highlights:

- In the ninth grade, the English and Humanities classes are integrated so students see the interrelationships between disciplines.
- Students are offered college preparatory mathematics through AP Calculus
- CTE offerings include: Automotive Technology, Culinary Arts, Sports Medicine, and Athletic Training.
- Honors and Advanced Placement courses are offered in English, math, science, social science, world language, art, and music.
- Technology is infused throughout the curriculum.

Opportunities for Parental Involvement (School Year 2022-2023)

Parents play a vital role in virtually every aspect of campus life. The School Site Council (SSC) develops and approves the annual school plan. Parents also serve on the Principal's Advisory Committee, and English Learners Advisory Committee (ELAC). Parents run the Maria Carrillo Association, Puma Athletic Boosters, Fine Arts Committee, and Band Boosters. These organizations not only raise significant funds to enhance school programs, but also recruit and coordinate the volunteers.

Anyone interested in volunteering should contact the school at (707) 890-3820.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 12/30/22 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22

Mathematics (grades 3-8 and 11)	N/A	54%	N/A	25%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

California Physical Fitness Test Results (School Year 2021–22)

Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5					
7					
9	91.7%	85.9%	88.4%	89.7%	90.7%

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2022–23)

Parents play a vital role in virtually every aspect of campus life. The School Site Council (SSC) develops and approves the annual school plan. Parents also serve on the Principal's Advisory Committee, and English Learners Advisory Committee (ELAC). Parents run the Maria Carrillo Association, Puma Athletic Boosters, Fine Arts Committee, and Band Boosters. These organizations not only raise significant funds to enhance school programs, but also recruit and coordinate the volunteers.

Anyone interested in volunteering should contact the school at (707) 890-3820.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	1.83%	6.03%	2.45%
Expulsions	0.00%	0.11%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22

School Safety Plan (School Year 2022–23)

Maria Carrillo maintains a closed campus. Two staff supervisors monitor the grounds for 30 minutes before and 30 minutes after school. We update the school safety plan annually, and the entire staff and student body participate in monthly safety, evacuation, and disaster drills in conjunction with local emergency services. As part of the school safety plan, we maintain emergency supplies. Our twenty-year-old campus has the most up-to-date safety systems.
