

This group of questions relates to the update/upgrade of specific learning spaces.

What school site(s) do you work at or does your child(ren) attend?	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Upgrade Inclusive/accessible playgrounds/ facilities (e. g., ADR ramps, elevators and terrain improvements for mobility accessibility, auditory environments for Hard of Hearing, and Visual upgrades color enhancements, safety labels)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and expand Transitional Kindergarten classrooms]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Enhance and expand facilities for student support services (e.g., community school resources on school campuses)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classrooms and equipment (including furniture)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classroom learning technology]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update science lab classrooms and equipment]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update job training facilities, including learning spaces for Career Technical Education (CTE)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and modernize school libraries]

This group of questions relates to the update/upgrade of specific learning spaces.

What school site(s) do you work at or does your child(ren) attend?	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Upgrade Inclusive/accessible playgrounds/ facilities (e. g., ADR ramps, elevators and terrain improvements for mobility accessibility, auditory environments for Hard of Hearing, and Visual upgrades color enhancements, safety labels)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and expand Transitional Kindergarten classrooms]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Enhance and expand facilities for student support services (e.g., community school resources on school campuses)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classrooms and equipment (including furniture)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classroom learning technology]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update science lab classrooms and equipment]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update job training facilities, including learning spaces for Career Technical Education (CTE)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and modernize school libraries]

This group of questions relates to the update/upgrade of specific learning spaces.

What school site(s) do you work at or does your child(ren) attend?	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Upgrade Inclusive/accessible playgrounds/ facilities (e. g., ADR ramps, elevators and terrain improvements for mobility accessibility, auditory environments for Hard of Hearing, and Visual upgrades color enhancements, safety labels)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and expand Transitional Kindergarten classrooms]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Enhance and expand facilities for student support services (e.g., community school resources on school campuses)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classrooms and equipment (including furniture)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classroom learning technology]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update science lab classrooms and equipment]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update job training facilities, including learning spaces for Career Technical Education (CTE)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and modernize school libraries]

This group of questions relates to the update/upgrade of specific learning spaces.

What school site(s) do you work at or does your child(ren) attend?	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Upgrade Inclusive/accessible playgrounds/ facilities (e. g., ADR ramps, elevators and terrain improvements for mobility accessibility, auditory environments for Hard of Hearing, and Visual upgrades color enhancements, safety labels)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and expand Transitional Kindergarten classrooms]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Enhance and expand facilities for student support services (e.g., community school resources on school campuses)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classrooms and equipment (including furniture)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update classroom learning technology]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update science lab classrooms and equipment]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update job training facilities, including learning spaces for Career Technical Education (CTE)]	This group of questions relates to the update/upgrade of specific learning spaces. How would you rank the need of the following school facilities priorities? [Update and modernize school libraries]
