

STAFF-STUDENT RELATIONS

Policy: 4040/7310

The Guilford County Board of Education (“the Board”) expects all employees to maintain the highest professional, moral, and ethical standards in their interactions with students. Employees are required to provide an atmosphere conducive to learning through consistently and fairly applied discipline and established and maintained professional boundaries. Employees are expected to motivate each student to perform to his or her capacity while modeling the behavior expected of students in staff-student relationships.

The interactions and relationships between staff and students must be based upon cooperation, mutual respect, and an understanding of the appropriate boundaries between adults and students inside and outside of the educational setting. Employees are expected to demonstrate good judgment and to avoid the appearance of impropriety in their interactions with students. Employees must consult their supervisor any time they suspect or are unsure whether conduct is inappropriate or otherwise constitutes a violation of this or other board policy.

For the purposes of this policy, the terms “staff” and “employees” include independent contractors and school safety officers, but do not include student employees.

A. Romantic Relationships and Sexual Contact Prohibited

All employees are prohibited from dating, courting, or entering into a romantic relationship or having sexual contact with any student enrolled in the District regardless of the student’s age. Employees engaging in such inappropriate conduct at any time or in any place whether during the school day or outside of school hours, on or off-campus, will be subject to disciplinary action, up to and including dismissal, and may be subject to criminal action as provided in [G.S. 14-202.4](#) and [14-27.32](#). Further, District personnel shall provide no assistance to an employee in finding another job, beyond the routine transmittal of personnel or administrative files, if the employee engaged in sexual misconduct with a minor or a student in violation of the law.

B. Restrictions On Electronic Communications

1. In accordance with policy 3225/4312/7320 Technology Responsible Use, employees are prohibited from communicating with current students through non-school-controlled social media without parental permission except to the extent that the employee and student have a familial relationship. Any communication through social media authorized under policy 3225/4212/7320 and its administrative regulations must meet the professional standards established in this policy and must otherwise be consistent with law and all other board policy.
2. Instant messages, text messages, and similar technologies will be treated as a form of communication through social media subject to the terms of policy 3225/4212/7320 and subsection B.1 above, regardless of whether the messaging service is provided through a social media service or otherwise.
3. Employees are prohibited from engaging in other forms of one-to-one electronic communications (e.g., voice, voice mail, email, texting, in-

STAFF-STUDENT RELATIONS

Policy: 4040/7310

application messaging technologies, photo or video transmission, and other emerging technologies) with students without written prior approval of the employee’s supervisor and the student’s parent. This rule shall not apply, however, if one or more of the following circumstances exist:

- a. the communication (1) is for an educational purpose, (2) is conducted through a District-provided platform which archives all such communications for a period of at least three years, (this requirement does not apply to telephone or voice mail communications), and (3) occurs after the employee has given prior notice to his or her supervisor or designee that such communications will occur;
- b. the communication serves an educational purpose and is simultaneously copied or transmitted to the employee’s supervisor or designee and, upon request, to the parent or guardian;
- c. the communication is necessary in a bona fide emergency, provided the communication is disclosed to the supervisor and parent or guardian as soon as reasonably possible; or
- d. the communication derives from a familial relationship and occurs with the consent of the parent or guardian, provided such communication does not otherwise violate this or other board policy.

Any one-to-one electronic communication permitted by this subsection must meet the professional standards established in this policy and must otherwise be consistent with law and all other board policies.

4. It is the duty of every employee to notify his or her supervisor of any unsolicited one-to-one communication, in any form, electronic or otherwise, received from a student when the communication lacks a clear educational purpose. School counselors are excluded from this requirement only to the extent that it conflicts with their professional duties.

Violations of this section will be considered unprofessional behavior subject to discipline, up to and including dismissal.

C. Reporting Inappropriate Conduct

1. Reporting by Employees

Any employee who has reason to believe any of the following shall immediately report that information to the student’s principal or to the employee’s own supervisor, Superintendent or designee:

- that another employee is involved in a romantic or other inappropriate relationship or has had sexual contact with a student;
- that another employee has engaged in other behavior prohibited by this policy; or
- that the employee has witnessed behavior by another employee that has the appearance of impropriety, whether or not the behavior may have a valid purpose.

An employee who ignores, falsifies evidence, or fails to report the information as provided in this section may be subject to disciplinary action, up to and including dismissal.

2. Reporting by Students

Any student who believes that they or another student has been subject to misconduct that violates this policy should immediately report the situation to a teacher, the principal or other school administrator, or a school counselor, or the Title IX coordinator.

3. Report of Criminal Misconduct

Any principal who has reason to believe that a student has been the victim of criminal conduct shall immediately report the incident in accordance with policy 4300 Student Discipline.

4. Report to [the](#) State Board of Education

Any administrator, at all levels of the organization, who knows, has reason to believe, or has actual notice of a complaint that a licensed employee has engaged in misconduct resulting in [termination of employment, nonrenewal of an employment contract, suspension without pay, dismissal](#), disciplinary action, or resignation shall report the misconduct to the State Board of Education within five days of [the termination, nonrenewal, suspension without pay, dismissal](#), determination of disciplinary action, or ~~acceptance of~~ resignation. An administrator may comply with this requirement by providing all relevant information to the Human Resources Department and receiving assurance from the Human Resources Department that all legal reporting obligations have been met. Notwithstanding Nothing herein prevents the administrator from making a separate report to the State Board of Education.

If the employee resigns within 30 days of a complaint for misconduct or during an ongoing investigation of a complaint, the misconduct is presumed to have resulted in the resignation. For purposes of this subsection, “misconduct” is conduct that would justify automatic revocation of the employee’s license pursuant to [G.S. 115C-270.35](#)(b) or the infliction of physical injury against a child other than by accident or in self-defense. Failure to report misconduct is a felony and may result in the

STAFF-STUDENT RELATIONS

Policy: 4040/7310

suspension or revocation of an administrator’s license by the State Board of Education.

This reporting requirement applies in addition to any duty to report suspected child abuse in accordance with state law and policy 4240/7312, Child Abuse and Related Threats to Child Safety, as applicable.
