

AI Policy Update

Board of Education Policy Committee
May 26, 2026

Today's Purpose

Provide an update on Generative Artificial Intelligence since the last Policy Committee update in June 2025 and gather feedback on desired next steps.

Where We Started...

- **Fall 2024-Spring 2025** - AI Task Force convened and drafted recommendations.
- **June 2025** - Presented a draft of [Policy 1910](#) based on the AI Task Force recommendation.
- **Fall 2025** - AI information sessions with Board of Education.
- **September 2025** - Enabled Gemini and disabled ChatGPT for students.

What's Happened This Year...

- **2025-2026** Professional learning opportunities for teachers and staff to learn about generative AI and updated staff guidance documents on [WakeConnect](#)
- **2025-2026** Administration - Operational decisions in support of the policy
 - Privacy / Security of tools

What's Next...

- **July 2026** - Continuing sessions for school leaders at Summer Leadership Conference
- **Fall 2026** - Expanded opportunities for teacher and staff professional learning with the release of AI Literacy Micro-credentials
- **Fall 2026** - Future of Policy 1910 Generative Artificial Intelligence
- **2026-2027** Administration - Operational decisions in support of the policy
 - Data Governance
 - Vendor & RFP questions

Questions?

We welcome your input
on next steps for an AI
policy.
