## RRR Recognition! Mrs. Muhlenbruch's Class

### Brooke for Respect and Responsibility

Brooke works hard to do the right thing every day and helps others in her class by giving kind reminders or support. Brooke does a great job of making our classroom stronger!

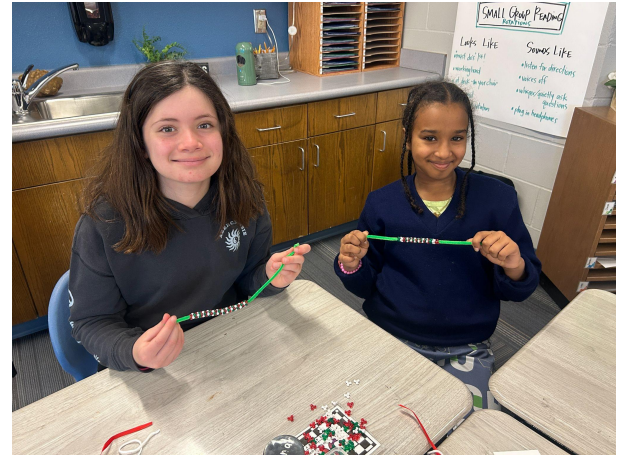

### Isabel for Resilience

Isabel has a great attitude when it comes to school. If something is a little tricky or she doesn't get it the first time she just tells herself to keep trying and sure enough, she has learned so much this year already!
