Ed Services - Alisa Haley, Exec. Director	\$810.00	October 12, 2023			5800	LCAP	
Description of Services		Consideration			Evaluation and Metrics		
Lawrence Hall of Science will provide two 50 minute sessions, on October 12, 2023, of "Phenomenal Physics" to all Advances Learner students in grades 3-6 and their families. They will be introduced to the forces of physics - the basic principles that govern our physical world. Topics range from electricity and magnetism to sound and fluid dynamics.		Our district adopted Advanced Learner Plan states that there will be two parent information nights to provide support and educational information to families with students who have been identified as an advanced learner. Input from past ALPS Advisory Council meetings made up of educators, parents and community members was to offer the opportunity for parents/guardians to have the opportunity to learn alongside their child. Through hands on activities provided by Lawrence Hall of Science families will be able to engage and learn from one another.			Post survey will be administered to families and number of attendees will be recorded.

Consultant will make determination of the District's State School Facility Program (SFP) New Construction Eligibility and assist SRCS in applying for modernization funding reimbursements from the state.		King Consulting is an established and recognized school facility planning firm. With a wide array of services, King Consulting assists school districts across California with their school planning needs and funding opportunities. This addendum is to provide an additional 500 hours for the professional consulting services agreement that was Board approved on 10/26/2022. This addendum will provide the additional hours to prepare and obtain the necessary State agency approvals to prepare and submit State Modernization Funding Applications. When reimbursement funding is received, it must be reinvested in district facilities, unless the original project was funded from general fund dollars.			To date, King has helped identify over \$15 million dollars for our elementary district and \$42 million dollars in our secondary district for potential state funding. Their continued work will help SRCS gain additional funding in the upcoming years. The reimbursed funds may be used to repair, maintain, or upgrade district facilities.

CTE / Debi Cardozo	No Cost to the District	Phase I: July 5, 2022 - December 31, 2023			N/A	N/A	
Description of Services		Consideration			Evaluation and Metrics		
The CTE Foundation (CTEF) was awarded an American Rescue Plan Act (ARPA) grant to support Elsie Allen High School (EAHS) in reforming their education model to deliver authentic, relevant, and integrated learning experiences that prepare youth for a lifetime of success. Capacity-building support will also be provided to accelerate and enhance this work through expanded resources not otherwise available. The grant award will be disbursed in two phases. Grant funds for Phase I will be utilized by EAHS for professional development, meeting materials and supplies, work-based learning activities, and to hire a full-time, site-based CTE TOSA to support work-based learning activities and expansion of business and community partners.		School closures and shifts to distance learning revealed key inequities and challenges. The importance of student engagement, access to learning tools and support, and strategies that address the needs of students have been identified by the Elsie Allen High School (EAHS) community as key indicators for the need to reimagine the educational experience for their students. The CTE Foundation (CTEF) has previously awarded grant funding to support the New School Model at EAHS. The continued partnership with the CTEF and the American Rescue Plan Act grant funds allocated will assist with continuing this transformational work. Initially, \$277,383 grant to be awarded to EAHS for Phase I. The Addendum would increase the amount to \$337,383 for Phase I.			Alignment to the 12 Essential Elements of a High-Quality CTE Program, staff feedback on professional development, YouthTruth Student data on related to engagement will be analyzed.

Special Education / Steve Mizera		Not to exceed \$850,000	July 1, 2023 - June 30, 2024		5875/5175	Special Education	
Description of Services		Consideration			Evaluation and Metrics		
Maxim Health Services is an agency that has a long-standing relationship with Santa Rosa City Schools. In addition to providing LVN services for many years through the Sonoma SELPA, they also provide contracted services for our COVID-19 response. This contract is an extension of the Sonoma SELPA Master Contract that allows for greater and more rapid assignments and services for required IEP needs.		The positions filled by Maxim are positions that remain unfilled by SRCS. Due to the fluctuating labor market, Maxim provides greater flexibility to recruit throughout Sonoma and Marin counties to fill unfilled classified positions. This is the 2nd year of a separate contract.			Renewal of this contract is based on successful completion of the renewal metrics: "95% attendance rate of Contracted Placements 80% of absences notified to the site administrator at least 8 hours in advance Percentage of vacancies filled 98% positive response from the local site administrators and Special Education Program Managers about the work performance of the employees, as measured by an end of the year Renewal Survey. 95% participate in Pro-ACT training or are actively signed up to Pro-ACT when requested." Metrics have been met, renewal is recommended.

Description of Services		Consideration			Evaluation and Metrics		
This service contract is for the provision of three (3) inclusive preschool seats in the Head Start community preschool classroom at Lewis Early Learning Academy (LELA). Students with Special Education needs will be placed in the general education preschool classroom via the IEP process.		Santa Rosa City Schools and Head Start have had a long-standing community partnership. This contract with Head Start allows for inclusive placement in a General Education Preschool program, at the recently opened classes at Lewis Early Learning Academy. Inclusive placements for PreSchool are paid by Part C Federal and State Preschool funds.			Through the IEP process, the program will be evaluated to meet the students goals. If there are issues with the vendor meeting those services, they will be addressed at the IEP. If progress is not made the students may be removed from the classrooms and the future of the relationship discussed by the Ex. Director of Special Services.

Department / Person Submitting Contract		Cost	Length of Contract		Object Code	Funding Source	
Special Services / Steve Mizera		No Cost to the District	July 1, 2023 - June 30, 2024		NA	NA	
Description of Services		Consideration			Evaluation and Metrics		
This MOU between Santa Rosa City Schools (SRCS) and Community Child Care Council of Sonoma County (4Cs) is for the purpose of three (3) inclusive preschool seats at Willow Creek Preschool.		One of the partnerships that Special Services has with it's preschool vendors (e.g. HeadStart, North Bay Children's Center) is a new partner to inclusive pre-school placements. As a local 501c3 nonprofit 4Cs are a resource for families, care providers and the community at large. The Community Child Care Council (4Cs) has been working since 1972 to ensure every child in Sonoma County has the care and early education they need. 4Cs links families with the right care, train care providers, administer financial assistance, sponsor the child nutrition program, and advocate at the local, state and national level on behalf of families and children. 4Cs also operate 11 preschools in Sonoma County. Special Services is seeking 3 seats at no cost to the District, but provide Services related to the IEP for these students in the General Education Inclusive setting.			4Cs will provide inclusive seats and the evaluation will be based on their participation in IEP services, thier integration of the preschool students into the classess and their willingness to implement the IEP services. The Progam Manager will evalaute these metrics before any consideration of a renewal is made.

NBCC will save 4 seats, for identified SRCS students for 4 hours per school day for 180 days, 2 seats for 2 students for 39 days and 6 students for 20 days of ESY at James Monroe. Will work with SRCS to ensure identified students/families complete all NBCC enrollment procedures. Shall provide high quality preschool classroom and curriculum and meet with a SRCS Special Education Teacher to collaborate/consult on curriculum, services, accommodations/modifications, and other supports for the purpose of providing assistance for the student's success in the NBCC program. Shall support all identified accommodations/modifications identified in the student's IEP. The NBCC Teacher will participate in the IEP process and IEP meetings for each identified student.		NBCC provides evidence-based school-readiness programs at the James Monroe and Steele Lane Elementary campuses designed to increase the number of preschool children entering kindergarten healthy and ready to learn. NBCC works closely with our Special Education team at the preschool level to provide meaningful inclusive learning opportunities to students with a variety of learning needs. They also work closely with our elementary school partners on curriculum alignment along with opportunities for parent involvement in the school community. Through intentional planning, antidotal observations, detailed DRDP assessments, child centered curriculum, and family partnerships and participation, James Monroe and Steele Lane kindergarten teachers have reported that children transitioning to kindergarten from NBCC preschool are more prepared and ready to learn.			The metrics for renewal were met: "NBCC will track the daily attendance for each identified student and share this information with SRCS on a monthly basis. NBCC will provide SRCS notification if a student is absent for 5 or more consecutive days or has less than an 85% attendance rate".
