- Annually review the District-approved formula for priority enrollment, which serves students in need (i.e. homelessness, foster care, etc.) and the flat rate for scholarship reimbursement which will be communicated by the District annually.
- Support BASPs in upholding required guidelines, provided by the District, that relate to the safety and security of their programs (i.e. the District requires doors be locked at all times and will work with Directors to maintain the doorbell/phone systems).

Partner Organization will carry out the following activities to support the partnership:

If a need is requested, additional slots beyond the formula will be determined at the building level with the involvement of the ICCSD District Leadership Team, Building Administrator, and BASP Director. The formula for priority enrollment will be reviewed annually. Based on the availability of funds and the building's free and reduced lunch percentage, a specific number of spots will be reserved for students who fit the criteria.
- Include the following paragraph in the parent handbook and BASP program website:
 - "Pursuant to the Americans with Disabilities Act (ADA), a child with a disability is entitled to an equal opportunity to participate in before and after school programs. BASPs will make all reasonable accommodations in policies, practices, or procedures to accommodate children with disabilities, unless accommodations would pose an undue burden or fundamentally alter the nature of the program. If a BASP program is unable to provide accommodations for a child with a disability, a meeting must be scheduled with the parent/guardian, the building administrator or their designee, and the BASP Director before a decision is made to ensure demonstration of an undue burden or a fundamental alteration to the program has been met. If a decision can not be agreed upon, further discussion will take place with an ICCSD District Administrator designee."
- A student previously denied, suspended, or expelled from the program will be considered for re-entry on an annual basis in a process that includes the BASP Director, the Building Administrator, and the family.
