Improvements and Accomplishments

CURRICULUM:

- iReady Math and ELA reports were analyzed in Grades K-5 to determine strengths, opportunities for improvement, and significant gaps. This information was used to individualize instruction for students.
- Teachers piloted iReadyELA as a new assessment platform.
- Student Learning Objectives were written to assess student growth throughout the school year. When applicable the iReady test was administered as part of the SLO (beginning, middle, and end of year).
- Title I Supplemental ELA Teacher, Mrs. Megan Kueker and Mrs. Banks provided Tier 3 RTI instruction for students K-5, and collaborated with Ms. Lynette Pfaff, Supplemental ELA Teacher at BLE to facilitate grade level consistencies with interventions and RtI processes.
- Implemented Really Great Reading Phonics program at Grades K-3. The data was analyzed to determine student deficit areas. Teachers were able to provide individualized instruction to students based on their needs.

- Grades 4-5 implemented UFLI in small groups as needed to help support students who needed additional phonics instruction.
- Mrs. Jennifer Sutton, Title I Math Instructional Coach, assisted teachers with data analysis - particularly iReady data, use of best practices, and quality lesson/assessment development.
- Flex grouping was implemented at Grade 4 in math, reading, and writing to differentiate instruction for all students.
- Flex grouping was implemented across three kindergarten classrooms during the second semester.
- Continued the implementation of the building-wide use of SeeSaw as a classroom communication tool. The consistent platform allowed teachers to communicate with families and students easily and effectively. .
- Teachers in Grades K-2 used SeeSaw as the online platform for students.
- Teachers in Grades 3-5 used Google Classroom as the primary online platform but began to integrate SeeSaw
- The SGE Impact Team continued working towards a competency-based education platform for instruction.
- Weekly 50 minute collaborative team meetings were utilized by teachers at all grade levels to support collaborative team work on curriculum, instruction and assessment. Weekly minutes were kept and posted.
- Special Education Co-teaching implemented at the 5th grade level.
- RtI (Response to Intervention) continued to be implemented at the kindergarten through fifth grade levels. The data was reviewed every four to six weeks and students were placed in appropriate intervention, on-level instruction, or enrichment groups. Grade level teachers, Special Education teachers, Mrs. Kueker, Mrs. Banks, Mrs. Aubuchon, Ms. Lauer, and Mrs. Ditch provided Tier I, II, and III instruction.
- New hires began Year 1 of LETRS training.
- CARE Teams are held every four to six weeks for all grade levels.
- Dragons' Den was provided as an after school program (\$150/quarterly cost to first student per family, \$100 for each second student in a family, and \$80 for student in a family thereafter)
- The kindergarten team administered the Kindergarten Observation Form (KOF).
- Sara Roth implemented student-led conferences during the second semester as part of CBE.

TUTORING SERVICES:

- A+ tutoring was incorporated into the Dragon's Den program during the entire year.
- Cadet teachers provided support in Kindergarten through Grade 5 classrooms.

Goals and Priorities for 2026-2027

- Utilize beginning of year assessment data to determine individual students' strengths and areas for growth
- Continue flex grouping for students in Grades 4 math, reading, and writing
- Continue flex grouping for Kindergarten students in math
- Implement flex grouping for 3rd and 5th grade students in math
- Continue Professional Development on Competency-based Learning
- Continue implementation of Competency-based Learning strategies
- Continue student data tracking of academic and personal goals in order to help students self-assess their growth
- Increase administrator visibility in classrooms to develop relationships with teachers and staff, as well as provide support and resources as needed

- Plan, schedule, and maintain a high rate of teacher observations and quality feedback
- Begin in-house professional development and training on standards-based grading (best practices, quality formative and summative assessments, analyzing data, creating rubrics, and reporting data based on power standards) for 3rd grade
