Full Service Agreement

This **Full Service Agreement** ("Agreement") is made by and between The American National Red Cross ("Red Cross") and Mexico Public Schools #59 (the "Customer"), (each a "Party" and together the "Parties"), effective as of the last date of signature set forth below ("Effective Date"), in order for Red Cross to provide training courses that are included within the product package(s) listed in Appendix B (each a "Course" and together the "Courses") by Red Cross-certified instructors ("Instructors") to Customer's employees, members and/or volunteers.

1.0 Red Cross Responsibilities. The Red Cross will:

1.1 Provide instruction in the Courses and provide students of Classes (as defined below) with materials and access to equipment necessary for such instruction at the fees listed on Appendix B (the "Fees").

1.2 For each Instructor-led Course scheduling instance ("Class"), confirm the date, time and location of the Class in a Confirmation, as defined in Section 2.4 below.

1.3 Provide the number of Instructors necessary to achieve the applicable student/teacher ratio set forth in Section 2.4.

1.4 Provide written confirmation of Class dates, times, locations and any related changes to the Customer.

1.5 Grant certification to each participant of a Course who successfully completes all requirements for that Course.

2.0 Customer Responsibilities. The Customer will:

2.1 Cooperate with the Red Cross in scheduling training on dates and at times and locations that are mutually acceptable to both Customer and Red Cross.

2.2 Only schedule Classes to be conducted, and otherwise perform under this Agreement, within the United States of America and its territories ("U.S."), as the Red Cross is only permitted to solicit, deliver services and provide program support within the U.S. Customer will only permit its personnel within the United States to take online-only Courses ("e-learning Courses") or the online component of any Course.

2.3 Contact the Red Cross' point of contact no fewer than ten (10) business days prior to any desired Class date to request training on that date. Requests will include the name and telephone number of a Customer point of contact for each Class location.

2.4 Identify the number of people to be trained at the relevant location(s) on each requested date. For each Class, Customer will receive an email confirmation from Red Cross (each a "Confirmation") confirming the Class details.

A. Standard Courses: To maintain a sufficient Instructor to student ratio, one (1) Instructor will be assigned for every twelve (12) students listed on the Confirmation for each Class session. Customer will be charged a per person fee as indicated on Appendix B for each student attending, but no less than the minimum number of students for each assigned Instructor as listed below and continuing in multiples of twelve (12), as applicable:

Instructor 1 (8-12 students)
Instructor 2 (13-24 students)
Instructor 3 (25-36 students)

B. Standard Instructor Courses: At least one (1) Instructor who trains instructor candidates (an "Instructor Trainer") will be assigned for every ten (10) instructor candidates listed on the Confirmation for each Class session. Customer will be charged a per person fee as indicated on Appendix B for each instructor candidate, but no less than the minimum number of instructor candidates for each assigned Instructor Trainer as listed below and continuing in multiples of ten (10), as applicable:

Docusign Envelope ID: 2215155A-3199-8DF2-83AE-37B160AEDA6C

Instructor Trainer 1 (3-10 students)
Instructor Trainer 2 (11-20 students)
Instructor Trainer 3 (21-30 students)

C. Non-standard Courses: The following Courses have unique Instructor to student ratios and are subject to per person fees and minimum charges, consistent with sections 2.4.A. and 2.4.B. above, based on each Course's Instructor to student ratio and student minimum:

Bloodborne Pathogens (ratio 1:25; minimum of 20 students)
Emergency Medical Response, Wilderness and Remote First Aid, and Lifeguarding (ratio 1:10; minimum of 8 students)
Basic Life Support (BLS) Instructor (ratio 1:10; minimum of 4 students)
Advanced Life Support (ALS) and Pediatric Advanced Life Support (PALS) (ratio 1:8; minimum of 6 students)
ALS Instructor and PALS Instructor (ratio 1:10; minimum of 6 students)
Neonatal Advanced Life Support (NALS) (ratio 1:6; minimum of 6 students)
NALS Instructor (ratio 1:6; minimum of 4 students)

Please refer to the Confirmation for number of Instructors assigned.

Any additional fees are outlined on Appendix B. If a public health emergency or other external event occurs that requires or reasonably warrants changes to the number of participants in a Class, Red Cross may alter any or all of the Course minimums set forth above for a period of time, in its discretion. Any such alteration will not require an amendment to this Agreement and will be communicated to Customer when Classes are scheduled and documented in the corresponding Confirmation(s). Customer acknowledges that some Courses, such as those delivered online, may require Customer's purchase of additional items, either through the Red Cross or a third-party supplier, the cost of which items is not included under this Agreement. Red Cross will advise Customer in advance if any such items are required for a Course. Customer further acknowledges that certain Courses included within the product package(s) listed in Appendix B may be limited in availability from time to time, and therefore not available in all locations.

2.5 Update the Class location, date, time, or number of participants, as needed, at least three (3) business days before the Class date; provided, however, that if additional Instructors or Instructor Trainers are required due to increased class size, Red Cross will schedule one or more additional Classes if needed to preserve the ceiling, noted in section 2.4 above, based on the number of students who may attend the Class.

2.6 Comply with, and communicate to Class participants, any requirements for Course participation which may be communicated by Red Cross to Customer from time to time, including (by way of example rather than limitation) health and safety precautions and active participation and certification requirements.

2.7 Provide classroom facilities for each Class having clean, safe and otherwise adequate space for participant seating and to practice Course skills, and adequate audiovisual training equipment. If the Customer does not have standard audiovisual training equipment, it will notify the Red Cross point of contact when the Class is scheduled.

2.8 Ensure that students are on time to Class and engaged and present for the entire Class, it being understood that students who do not adequately participate, are not present for the entire Class, or otherwise fail to meet Course objectives, will not be certified.

3.0 Fees and Invoicing.

3.1 Courses are included within the product package(s) listed on Appendix B. Fees for Courses are set forth in the price list attached to Appendix B. For each Class enrollee, Customer will be charged the per person fee that is applicable to that Course. Fees do not include any applicable sales or use tax. Customer will be solely

Docusign Envelope ID: 2215155A-3199-8DF2-83AE-37B160AEDA6C

responsible for payment of such taxes, which will be included in invoices issued to Customer under section 3.3 below.

3.2 For each Class, Customer will pay for at least the minimum number of students per Instructor stipulated under Section 2.4 above. (For example, in the case of a Standard Basic Level Class, which has a minimum of eight (8) students and a maximum of twelve (12) students per Instructor, if only six (6) students attend training, Customer will pay for eight (8) students). For e-Learning Courses, Customer will pay a per person fee for each seat Customer purchases. For each such seat, Red Cross will issue Customer a non-refundable registration voucher, which any individual may redeem by claiming it online through Red Cross Learning Center, but which may not be transferred to any other individual once Red Cross's records indicate that it has been redeemed.

3.3 Customer will be invoiced. Invoices will be sent via postal mail, may be issued up to four (4) times per month and will include all transactions submitted in that billing period. Payment in full is due thirty (30) days from the date of each invoice. Past due amounts will be subject to collections actions and may be referred to an external collection agency. In such an event, Red Cross will be entitled to all costs of collection including interest, reasonable attorney's fees and litigation expenses, and collection agency fees and expenses. Customers with high credit risk or late payments may also result in the suspension or termination of Customer's invoicing privileges at Red Cross's sole discretion. If invoicing privileges are suspended or terminated, Red Cross will not deliver Classes until the account(s) is in a current status with no outstanding invoices.

3.4 Customer may elect to have invoices delivered electronically to one (1) email address. Customer will provide Red Cross a single valid email address for electronic invoice delivery. Customer will receive a PDF copy of the invoice. Customer understands that Customer will not receive an invoice via postal mail after enrollment in electronic invoice delivery.

3.5 If Customer desires that invoices issued by Red Cross reflect Customer-issued purchase order numbers, then any such purchase order must be received by Red Cross at least ten (10) business days prior to the scheduling of a Class or the purchase of an e-learning Course; it being understood that under no circumstance will the absence of a customer-issued purchase order number on any invoice excuse Customer's timely payment of that invoice.

3.6 To pay an invoice by credit card, or to establish ACH payments, call 888-284-0607. To pay an invoice by check, include the remittance advice showing the Customer account name, number and invoice number and send to:

American Red Cross - Training Services
25688 Network Place
Chicago, IL 60673-1256

3.7 Red Cross is not obligated to use Customer's vendor payment portal. If Customer desires that Red Cross use Customer's vendor payment portal, Customer must make such a request in writing. Red Cross may grant or deny the request in its sole discretion. Acceptance of such a request may only be made in writing by an authorized representative of Red Cross. Customer must continue to pay invoices delivered by mail or email on a timely basis while such a request is pending. If Red Cross elects to use Customer's vendor payment portal, Red Cross will not be obligated to pay Customer or any third party any fee or expense for such use, regardless of any provision to the contrary in such portal's terms of use. Customer will, on demand, promptly reimburse Red Cross for any such fee or expense.

3.8 If Customer has account balance or invoice questions or concerns, immediately upon receipt of invoice, Customer may email billing@redcross.org or call 888-284-0607 to report and resolve the inquiry.

Docusign Envelope ID: 2215155A-3199-8DF2-83AE-37B160AEDA6C

3.9 At least annually, Red Cross will review its national pricing, and may increase its pricing and fees. Red Cross will notify Customer of any such increase. Such notice (which Red Cross may send to Customer contact for notices or contact for billing in Appendix A) will specify the date on which the increase will take effect under this Agreement. That date will be at least thirty (30) days after the date of such notice. As of that effective date, prices and fees under this Agreement will automatically be modified to reflect such increase without need for the Parties to take any other action, including (without limitation) the execution of any separate modification of, or amendment to, this Agreement.

3.10 Customer warrants that as of the date of this Agreement, it has no overdue balances with the Red Cross.

4.0 Class Rescheduling, Cancellation, and Changes.

Customer may reschedule, cancel, or make scheduling changes to, including changing location, a Class without charge if Red Cross is notified at least three (3) business days in advance of the scheduled Class time. Red Cross is authorized to charge a $120.00 change fee for each occurrence of the Customer rescheduling, canceling, or making scheduling changes to a Class, with fewer than three (3) business days' notice.

5.0 Instructor Expenses.

If the Red Cross incurs unusual expenses ("Expenses") associated with conducting a Class, the Red Cross may request reimbursement for the Expenses (e.g., Instructor mileage to a remote location or overnight lodging, or accommodations for students with disabilities). The Expenses must have prior written approval from each of the Parties and will be invoiced to Customer.

6.0 Term and Termination.

6.1 This Agreement will be effective as of the Effective Date listed above and ends on the day before the thirty-six (36) month anniversary thereof, unless earlier terminated as provided below. Access to e-learning Courses will expire in accordance with the applicable terms of use for those Courses.

6.2 Red Cross may immediately terminate this Agreement if Customer breaches this Agreement.

6.3 Either Party may terminate this Agreement with advance written notice to the other Party of at least thirty (30) days.

6.4 Upon termination or expiration of this Agreement, Red Cross will immediately cease delivery of Classes and the Customer will be responsible for payment for all fees and reimbursable expenses incurred up until such termination or expiration date.

6.5 Notwithstanding expiration or any termination of this Agreement, the provisions of this Agreement will continue to govern with respect to any amounts payable to Red Cross for Courses completed prior to such expiration or termination. The Parties' obligations under section 9.1, below, will also survive any expiration or termination of this Agreement.

7.0 Force Majeure.

Notwithstanding anything in this Agreement to the contrary, no Party will be liable to the other for any loss or damage arising as a result of breach, non-performance or partial performance of its obligations under this Agreement (except for the obligation to pay money when due) due to any cause beyond that Party's reasonable control and without its fault or negligence, including but not limited to any delay or failure caused by failure, unavailability or shortage of power, materials or supplies, flood, fire, storm, other abnormally inclement weather, act of war, terrorism, riot, act or omission of government or governmental agency, strike, work stoppage, other labor unrest, inadequate voluntary donations required for the

rendering of the services, other act or omission in the process of manufacture, production or supply under the control of third parties, or any other emergency.

8.0 Notices. Each Party's contact for notices and billing under this Agreement is listed on Appendix A.

9.0 Confidentiality and Intellectual Property.

9.1 Except as required by applicable law or otherwise provided herein, Customer will maintain in confidence the pricing information set forth in Appendix B.

9.2 Neither Party may use the other Party's name, trademarks or other intellectual property in marketing materials, press releases, presentations, or otherwise without the advance written consent of the other Party, which consent may be granted or withheld in the other Party's sole discretion.

10.0 Miscellaneous.

10.1 Severability. In the event any provision of this Agreement is held invalid, illegal or unenforceable (any such provision, an "Invalid Provision") in any jurisdiction, the Red Cross and the Customer will promptly negotiate in good faith a lawful, valid and enforceable provision that is as similar in terms to such Invalid Provision as may be possible while giving effect to the future benefits and burdens accruing to the Parties hereunder. But, in no way will the Invalid Provision affect the validity or enforceability of any other portion or provision of this Agreement, regardless of the ability of the Parties to negotiate a new provision.

10.2 Independent Contractors. Each Party is an independent contractor with respect to the other, and nothing herein shall create any association, partnership, franchise, or joint venture between the Parties or an employer-employee relationship. No agent, employee or servant of any Party will be, or will be deemed to be, the employee, agent or servant of the other Party, and each Party will be solely and entirely responsible for its acts and the acts of its agents, employees and servants.

10.3 Assignment. Neither Party's rights under this Agreement may be assigned, or its obligations delegated, in whole or in part without the prior written consent of the other Party; provided, however, that Red Cross's use from time to time of Instructors who are volunteers or employees of third parties to furnish Course instruction under this Agreement does not constitute a delegation of Red Cross's obligations under this Agreement and will not require Customer's advance consent. Any attempted assignment or delegation in violation of the foregoing will be null and void.

10.4 Governing Law. The Agreement is governed by the laws of the District of Columbia, without giving effect to its choice or conflict of law rules.

11.0 Entire Agreement and Modifications.

This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, understandings and representations, both written and oral, between the Parties with respect to the subject matter of this Agreement. Amendments, addenda and waivers to this Agreement will be effective only if made, in each case, by a non-preprinted document clearly understood by both Parties to be an amendment, addendum or waiver, as the case may be. Any additional or different terms or conditions contained in any purchase order, confirmation, receipt, invoice, click-through agreement, or similar documents will not be binding on either Party, whether or not such terms and conditions would materially alter this Agreement (and even if the receiving Party has signed or otherwise acknowledged such purchase order, confirmation, receipt, invoice, click-through agreement, or similar document), and each Party hereby rejects all such additional or different terms and conditions.

The Parties, acting through their duly authorized officers, have executed this Agreement, which will come into force as of the Effective Date.
