MEXICO EDUCATION CENTER

Mark Holman, Director

October 2026

TOTAL ENROLLMENT: 105 STUDENTS | 30 IN-SEAT | 75 VIRTUAL

Facebook: "Mexico 59 Alternative" | Instagram: @MexAltEducation

ACADEMICS

Academic Goal: Students will complete 3+ credits per semester and remain on track for graduation through personalized learning plans, Edgenuity progress monitoring, individual credit checks, and targeted support.

Enrollment & Purpose: MEC serves students who benefit from flexible scheduling, alternative diploma options, including HiSET, and a supportive setting focused on career and college readiness.

October Academic Focus: Monday meetings and weekly activities focused on postsecondary websites, mindfulness, finances, checking email, college fair preparation and debriefing, and academic remediation.

MO-Option & Progress Reviews: Mr. Widaman and Mr. Holman coordinate the eligible HiSET-based graduation pathway. Individual quarterly reviews and parent-teacher conferences will occur in October to evaluate academics, attendance, employment, attitude, and JAG progress.

ATTENDANCE

Attendance Goal: Maintain above 90% attendance while demonstrating consistent academic progress.

Daily Structure: Students attend one of two daily 3-hour sessions, five days per week, led by two teachers. Edgenuity serves as the primary learning platform.

Student Accountability: Students must maintain attendance, complete 3+ credits per semester, and hold required employment for credit. Due to high demand, students may be dismissed for poor progress or attendance.

CAREER EXPLORATION & JAG ACTIVITIES

Postsecondary & College Readiness: Students explored postsecondary websites, prepared for the MHS College Fair, attended the fair, and completed a college fair debrief.

Life Skills & Student Support: Weekly topics included mindfulness, finances, checking email, and academic remediation.

MEC/JAG Events & Service: MEC/JAG held its tailgate event. Students also participated in the Ty-Ron Lue Day of Service, including Cookie Day.

Community Connection: Mary Rohrbach from Community Action visited the Mexico Education Center.

Professional Development & Student Meetings: One scheduled professional development day was held with no students. Students also participated in a Tuesday Meet-Up and regular Monday morning meetings.
