Estimate details
Estimate no.: 1002
Estimate date: 09/25/2026

#	Date	Product or service	Description	Qty	Rate	Amount
1.	09/25/2026	**Misc.**	remove footprint of old building per conversation, sawing and removing all concrete that is projected above the parking area plane, including sidewalks, and removing enough sub grade to at least 6 inches lower than existing parking lot elevations and filling with a 3" minus base rock , covered with a 1" minus crushed rock that will be user friendly to drive on with vehicles if necessary.	1	$36,500.00	$36,500.00

Total **$36,500.00**

Note to customer

Fully licensed and insured with workmans comp and 2 mil general liability.
price does not include permits and abandoning utilities, I'm understanding utilities have already been abandoned.
I don't think there will be any permit issues but might have to check.

I am pretty busy currently but will try to get it completed in a timely manner if we are granted the project. might be
