ACADEMICS

Goal: Increase the building-wide "progress to annual typical growth" percentage on the iReady reading diagnostic from 96% in 2025-2026 to 100% by the end of the 2026-2027 school year.

iReady Reading Data Dashboard:

Benchmark	Previous Year: 25/26	Tier 1: On or above grade level	Tier 2: One Yr Below Grade Level	Tier 3: More than 1 Yr Below Grade Level

MOY - Dec/Jan	Gr 32%, Y 36%, R 32%			
EOY - April/May	Gr 39%, Y 34%, R 27%			

During October, grade-level teams began the SMART goal process by selecting specific skills and establishing how student progress will be monitored. Teams also continued updating MTSS grids and Reading Success Plan information to ensure student needs and supports were accurately documented. They finished the month by preparing student progress information to share with families during Parent Teacher Conference week.

ATTENDANCE

During October, Eugene Field continued meeting with families to offer support and reinforce that every minute of the school day matters. Our attendance support staff also made several home visits to work directly with families. During Parent Teacher Conferences, every parent received an update on their child's current attendance rate. We are beginning to see improvement from several students and families who have experienced attendance concerns in the past.

Eugene Field experienced an increase in discipline incidents during October, which is consistent with the pattern seen in our historical data. Students who met the monthly expectations for the Bulldog Behavior Club earned an extra recess. The school also reached another positive behavior points milestone, allowing every grade level to enjoy a walk to the park and the fall weather. Moving forward, we are placing additional emphasis on bathroom expectations and helping students develop stronger conflict resolution skills.

BUILDING HIGHLIGHT

Second-grade students visited Hickory Ridge Orchard for their field trip this year. Parent Teacher Conferences were successful and gave our staff the opportunity to have many great conversations with families about their children's progress. We appreciate the Eugene Field PTO for providing evening meals for staff members who stayed late for conferences.
