MEXICO EDUCATION CENTER

Mark Holman, Director

November 2026

TOTAL ENROLLMENT: 110 STUDENTS | 30 IN-SEAT | 80 VIRTUAL

Facebook: "Mexico 59 Alternative" | Instagram: @MexAltEducation

ACADEMICS

In-seat Academic Goal: Students will complete 3+ credits per semester and remain on track for graduation through personalized learning plans, Edgenuity progress monitoring, individual credit checks, and targeted support.

November Academic Focus: Monday morning meetings, Monday meet-ups, and Monday start-ups were used to review expectations, upcoming activities, and student needs. Academic remediation remained a weekly priority.

Student Learning & Engagement: Students completed lessons and activities on Haunted Places in Missouri, pumpkin slides, pumpkin carving, voting, elections, government, and Find Your Path.

ATTENDANCE

Attendance Goal: Maintain above 90% attendance while demonstrating consistent academic progress.

MEC In- Seat Daily Structure: Students attend one of two daily 3-hour sessions, five days per week, led by two instructors. Edgenuity serves as the primary learning platform.

Safety & Student Accountability: Students viewed a 10-minute drill safety video and participated in a Walk and De-Trash activity. Students are expected to maintain attendance, academic progress, and program expectations.

CAREER EXPLORATION & JAG ACTIVITIES

Build My Future: Students attended Build My Future in Jefferson City to explore career fields, hands-on occupations, training programs, and postsecondary pathways.

Fluid Power Support Tour: Students toured Fluid Power and learned about local career opportunities, workplace expectations, and careers connected to the industry.

Career & Life Skills: Students learned about regular car maintenance, heard from MoDOT about careers and winter operations, and completed Find Your Path activities focused on future education and career choices.

Service & Civic Engagement: Students discussed volunteering and community service, along with voting, elections, and government. Seasonal activities included selecting pumpkins and completing a pumpkin carving project.
