Highlights and Wins

- **Primary School Excellence:** Exceptional engagement at MT, NA, and GW, with lunch participation hovering near a remarkable **70%**.
- **Strong Breakfast Adoption at Top Sites:** Almost **half of enrolled students** at MT, GW, and NA start their day with our breakfast program.
- **High Volume Impact:** Over **1,900 lunches** and nearly **750 breakfasts** served daily district-wide, meeting critical student nutritional needs.
- **Middle School Lunch Reach:** BMS achieves nearly **50% lunch participation**, serving almost 500 students daily in a large-enrollment environment.

Transportation Department

:: 2026 Beginning of Year Update ::

1. Student Ridership & Progress

- **Current Registered Riders:** 728 students (*Down from 976 last year*)
- **Special Education (SPED):** 107 students enrolled to date (*On track with historical range of 109–119; expected to grow throughout the year*)
- **Pre-K Transports:** 8 students daily

Action & Progress Monitoring Plan

- **Challenge:** High volume of uncounted/unregistered riders on routes.
- **Next Step:** Initiating a bus pass verification process through the end of October to capture an accurate total ridership count.
- **Core Priority:** No student will be denied service during the verification process.
