

**Southeast Raleigh Magnet High School**  
**Recommendation: Significantly revise the existing magnet theme**

MAGNET OBJECTIVES						
Objectives	Considerations	Policy 6200 Pillars A-D	Yes	No	Under Review	Comments:
Reducing High Concentrations of Poverty	Does this school have a disproportionate percentage of F&RL students compared to the district average?		X			FRL is 60.6% (Higher than district HS average of 28.9%)
	Would magnetizing the school minimize high concentrations of low-performing students at the school?	A	X			
Promote Diverse Populations	Will the school have a viable market/draw area to attract magnet students?		X			Northern & Western Wake
	Does this school meet the group 1, 2, or 3 parameters?	D	X			Group 1 magnet
	Will magnetizing this school negatively impact nearby non-magnet schools?	B		x		SRMHS will significantly revise its Center for Leadership & Technology magnet theme to increase magnet applicants.
Maximize use of school facility	Are there available seats to accept magnet applicants?	B	X			Actual % is 82.3
	Will siblings have the opportunity to attend this same school?	B	X			
	Will adding this magnet program minimize overcrowding at target non-magnet schools?	D	X			Northern & Western Wake
	Does the campus have obstacles that would inhibit theme implementation?			x		
Provide expanded educational opportunities	Is this theme attractive?				x	TBD
	Would this theme enhance the magnet offerings in the district?				x	TBD
	Students living within the immediate vicinity can attend the school as base and participate in the program?	C	X			
	If the theme is unique, not shared by another magnet school, is the location accessible from around the district?	C		x		
	Does the magnet program support magnet program pathway continuity/theme match?	B			X	TBD
Other:	Are there long-term challenges at the school?		x			SRMHS has struggled to attract magnet applicants with the Leadership & Technology theme
	Have other strategies been implemented? If so, what?		X			Supporting the implementation of the current theme.
	Can the school effectively implement the theme? (Do they have the desire to host the program?)				X	TBD
	Cost Implications?					MSAP grant & local dollars
	Is the program sustainable long-term?	D		x
