

Los Altos School District

LCAP

Mid Year Report

February 2024

The Los Altos School District consists of seven elementary schools and two junior high schools. The LCAP represents our updated district goals, actions, and services to support our work for the 2021-2024 school years. The focus on district goals is critical to the success of all students by providing the foundations to learn, lead, and innovate in highschool and beyond.

LASD LCAP Goals and Actions- 2021-2024

Goals	Actions	
Goal 1: Ensure all students have access to equitable conditions for learning.	1.1 Each LASD school will have highly qualified teachers and staff, well maintained facilities and equipment, and the necessary standards aligned instructional materials and resources to meet the needs of our diverse student population	
	1.2 Each student will be enrolled in a broad course of study	
	1.3 LASD will ensure that all students have equitable access to technology for learning	
	1.4 LASD will adopt NGSS aligned science curriculum and curate social studies curriculum resources	
Goal 2: All LASD students will experience high quality instruction that results in equitable outcomes and expected yearly growth.	2.1 Teachers will explicitly teach digital literacy and digital citizenship skills to all TK-8 students	
	2.2 LASD will adopt an anti-bias framework, train all stakeholders, and align lessons that teach to the framework	
	2.3 LASD will further support high quality English Language Arts instruction through the use of instructional support teachers and targeted professional development	
	2.4 LASD will improve math instruction by creating a clear LASD math curriculum and assessment plan and training teachers in the elements of high quality math instruction through the use of instructional support teachers	
	2.5 LASD will implement adopted NGSS aligned K-8 curriculum and train teachers through the use of instructional support teachers and targeted professional development	
	2.6 LASD will update the EL Master Plan, with specifics on a systematic plan for designated and integrated ELD	

Goal 3: Provide tiered supports and systems that promote and sustain strong academic growth and positive social/emotional development for all students.	3.1 All teachers will be trained in evidence-based intervention strategies for meeting individual student needs in literacy and math, including English language acquisition needs, to close the achievement gap	
	3.2 Students will be educated in the least restrictive environment	
	3.3 LASD will utilize instructional support teachers to connect professional development to classroom practice	
	3.4 LASD will develop and implement a plan to better support long term English learners	
	3.5 Schools will further develop and implement concrete plans and tiered systems to support student academic and social-emotional needs	
	3.6 State and local data will be used at all levels to ensure all students are learning	
	3.7 Teachers will work in professional learning communities within the work day to impact practice and improve student learning	
	3.8 LASD will provide a rich summer school experience for our most at risk learners	
Goal 4: Ensure a safe, healthy, and respectful school environment to maintain engagement, involvement, and satisfaction of students, staff, and parents.	4.1 LASD will provide meaningful opportunities for parents to continue to engage in the education of their children through a variety of opportunities for learning and feedback	
	4.2 LASD will promote safe, positive, and supportive school environments at each campus: teach, model, and reinforce appropriate behaviors; support students in social problem solving and empathy	
	4.3 All students and staff will have access to mental health services	
	4.4 LASD will provide a rich summer school experience for our most at risk learners
