

The Charter Schools Advisory Board recommends to the State Board of Education the following changes to its process in considering applications for new charter schools:

1. Prior to denying any charter school application that received a majority vote to approve by the CSAB, the SBE will return the application to the CSAB for further review before denial on second reading.

2. The CSAB shall complete its recommendations to the SBE on charter school applications by its April meeting each year. The CSAB will present its recommendations to the SBE at the May SBE meeting for discussion. The SBE will approve or deny all charter school applications by its June meeting each year, except those applications returned to the CSAB for further consideration under part one of this recommendation, which the SBE will approve or deny by its August meeting each year.
