Facilities, Erik Oden	Increase Not to exceed \$102,500	2024/2025 Fiscal Year			9040	Special Reserve for Capital Outlay Fund	
Description of Services		Consideration			Evaluation and Metrics		
Consultant will make determination of the District's State School Facility Program (SFP) New Construction Eligibility and assist SRCS in applying for modernization funding reimbursements from the state.		King Consulting is an established and recognized school facility planning firm. With a wide array of services, King Consulting assists school districts across California with their school planning needs and funding opportunities. This addendum is to provide an additional 500 hours for the professional consulting services agreement that was Board approved on 10/26/2022. This addendum will provide the additional hours to prepare and obtain the necessary State agency approvals to prepare and submit State Modernization Funding Applications. When reimbursement funding is received, it must be reinvested in district facilities, unless the original project was funded from general fund dollars.			To date, King has helped identify over \$15 million dollars for our elementary district and \$42 million dollars in our secondary district for potential state funding. Their continued work will help SRCS gain additional funding in the upcoming years. The reimbursed funds may be used to repair, maintain, or upgrade district facilities.

Description of Services		Consideration			Evaluation and Metrics		
McGraw Hill, as part of its Everyday Math 4 curriculum, provides access to online resources, including the textbook, assessments, games, and supplemental resources for differentiation for teachers and students. These licenses gives access to many resources that are not available in print form.		McGraw Hill Everyday Mathematics 4 was Board adopted as district math curriculum for our TK-5 grade students on May 24, 2017. At that time, we did a 6 year purchase of the materials. The purchase of the curriculum included access to the online textbook and resources which expired at the end of the 22-23 school year and will now need to be renewed annually.			All teachers and students K-5 using Everyday Mathematics 4 have access to the online resources.

Business Services/Information Technology, Adrian Bica	\$40,462.00	September 1, 2024 - August 31, 2025		5817	General Fund		
Description of Services		Consideration			Evaluation and Metrics		
ClassLink enables SRCS to manage student and staff access to online instructional resources via Single Sign On and manage licenses assignments based on rostering provided from the School Information System (Aeries). Classlink also provides analytics for the usage of online resources to enable financial decisions for renewals. Starting 2024 Classlink also enabled MFA for all SRCS staff.		The use of online instructional resources has been steadily increasing in the last 3 years and the current trend is that this model is going to continue and expand as school districts adapt to more flexible instructional paradigms including online instruction. SRCS renewed the contract last year to enable staff and students to easily access with one password most of SRCS approved online resources, including textbooks. Through integration with different School Information Systems, including Aeries, ClassLink enables SRCS to stay compliant with licensing requirements ensuring that the correct licenses are distributed to the correct users. ClassLink can provide useful insights about the use of the online resources that corroborated with student achievement analytics at different schools can guide the purchasing/renewal process for these resources. Since ClassLink is such a central part of enabling student access to instructional materials we recommend perpetual renewal of this license. Starting in 2024 Classlink also enabled SRCS staff to use Multi-Factor Authentication for secure access to online resources and to reduce the potential of accounts being hacked.			Students and staff gain timely access to instructional material. SRCS meets & maintains licensing requirements with different vendors supported via ClassLink.
