**Prerequisite: completion of Year 1 CORE*

- 2 days of PD *12 hours of workshop professional development for one lead teacher with the option to include a teaching assistant working in their classroom
- Dedicated Tools team member(s) assigned to support each classroom
- Year-long **Classroom Essential Subscription Package** providing access to Tools of the Mind digital resources including: eTools, iScaffold, Family Connect, Learn@Home, Developmental Writing Assessment (DWA) app, PowerTools (K only) for lead teacher
 - 1 Assistant Teacher Portal Subscription to eTools and iScaffold

Included for programs that elect to participate—highly recommended:

TREE -- Teachers Reaching Educational Excellence Individualized Professional Development Video Coaching & PLC sessions for participating classrooms – REFINING STRAND

15 Additional Professional Development Hours/Classroom

- Regular ongoing cycles of video coaching focused on *new* high-impact teaching practices to support effective implementation
- PLCs—Teachers and coaches can participate in a series of Tools-facilitated small group Professional Learning Community (PLC) 30-minute sessions reflecting on current TREE video focus activities, next steps in implementation and responding to teacher questions. ***Requires* administrator collaboration in coordinating dates and times with Tools at or before the start of the year.

Year 2 Core Professional Development topics include:

- Refining implementation of Tools activities and approach to enable every child to reach their full potential
- Strengthening and refining teacher use of our 6 Core Teaching Capabilities:
 - Responsive differentiation of instruction
 - Scaffolding
 - Classroom practices to support self-regulation development
 - Facilitating powerful make-believe play & playful learning
 - Developing an inclusive Tools' classroom culture with a focus on peer scaffolding
 - Powerful partnerships with parents
- Case Studies—Using student data to plan and individualize instruction
- How to develop a reflective Tools' teaching practice and engage in setting and meeting goals to support strong child outcomes
