Either Party may terminate this Agreement for any reason, without penalty, by providing the other Party with at least sixty (60) days' prior written notice of termination, in accordance with the laws of the state in which services are provided.

Should any provision of this Engagement Agreement be held void or unenforceable, the remaining provisions shall remain in full force and effect, to be read and construed as if the void or unenforceable provisions were originally deleted.

If any dispute, default, suit or action arises from or in connection with this Agreement or bills due under this Agreement, the prevailing party shall be entitled to recover all reasonable attorney fees, costs and expenses incurred, including without limitation, any at trial, on appeal, or in an arbitration or bankruptcy proceeding.

School District agrees to indemnify, hold harmless, and defend COFK and its officers, managers, employees, independent contractors and agents from and against any and all losses, costs, expenses, damages, or liabilities (including reasonable attorney fees) incurred or threatened to be incurred by COFK or its officers, managers, employees, independent contractors and agents by reason of or arising out of or in connection with this Engagement Agreement or the performance of services hereunder, including the negligence of COFK.

Non-Solicitation

The district agrees that, during this contracted period and for the restricted period of one (1) year following its termination, the district shall not, directly or indirectly, other than in connection with the proper performance of duties in the capacity as a district contracted with COFK, solicit, attempt to solicit or entice away from the Company any person who, at any time during the term was a clinician, healthcare professional, support staff, or other employee, customer, client or supplier of the COFK with who the party has come in contact as a result of the services provided pursuant to this Agreement.

This restriction does not prohibit a party from entering into discussions or hiring an employee of the other party who approaches said party on his or her own initiative without any solicitation prohibited in this Section or from placing advertisements or using research firms that are not directed at the other party's employees and then hiring any employee of the other party resulting from such general non-targeted efforts. The restriction does not apply to routine, indirect solicitation or recruiting (e.g., advertisements or announcement of a job opening on the internet or in print).

The parties acknowledge that the restrictions contained in this section, in view of the nature of the business in which they are engaged, is reasonable and necessary to protect the the interests of each, and that any violation may result in injuries to the affected party. The parties acknowledge that in the event this restriction is violated, the affected party will be entitled to apply to a court for injunctive relief.

The parties acknowledge that it would be impractical and difficult to anticipate or determine a party's actual damages in the event of a violation of this provision. Accordingly, upon a breach of this provision, the breaching party shall pay the non-breaching party a fee of Five Thousand Dollars (\$5,000) as liquidated damages, which the parties agree is not a penalty.

The School District has the option of hiring personnel that have previously worked or who are currently working at the School through COFK for a waived placement fee. In order to qualify for a waived placement fee, Personnel must have worked a minimum of (1000) hours within the current school year through COFK at the School District. In the event that one party breaches this Engagement Agreement, the failure of the other party to enforce any right under this Engagement Agreement shall not be deemed a waiver of any right hereunder. The rights and remedies of the parties as set forth in this Engagement Agreement are not exclusive and are in addition to any rights and remedies provided by law. No waiver of any provision of this Engagement Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver.
