By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

Proctor Terrace Elementary School is an exceptional learning community. A community that includes students, teachers, classified staff, volunteers and our families. We engage, inspire, and teach to develop students who are critical thinkers, lifelong learners, and stewards of their community.

Our mission is to provide all students with a balanced education in a safe, supportive environment that promotes excellence in learning, motivation, and self-discipline. We are committed to providing all students with a coherent and rigorous learning program in a safe, supportive environment that promotes excellence in learning, motivation, and self-discipline. Staff, parents and the community unite to provide students with a foundation for becoming

independent and self-supporting adults that are college and career ready. We have an excellent teaching staff that are dedicated to helping students be their very best academically and social-emotionally. Our teachers collaborate with each other, creating a collegial and professional work environment. All PTES students have a high degree of success thanks to our staff, a high level of parent support and involvement, a strong PTA and School Site Council, and effective school site leadership.

Students enjoy attending Proctor Terrace School due to a friendly, compassionate atmosphere, a rigorous curriculum, and accountability geared to help ensure successful educational growth. Our students develop the confidence to be successful in secondary school and beyond, and the ability to be effective, informed, and contributing citizens in their community.

Opportunities for Parental Involvement (School Year 2022-2023)

Parents are an essential component of our learning community. Our School Site Council (SSC), which includes parent members, supports the efforts of the school to improve instruction and related services. Our ELAC helps the parents of English Learners feel welcome and ensures that they are contributing members of our school community. They have an important voice in matters that directly affect their children, and we honor that voice.

Our Parent Teacher Association (PTA) is very important and appreciated by the entire community. They help support educational programs, for example our Art Docent program which takes place during the school day. In addition, they also manage and support our after school enrichment program.

They provide teachers with classroom enrichment and field trip funding. They also contribute to our technology, athletic and assembly programs. Our PTA works tirelessly on events such as our Tigerfest carnival, Walk-a-thon, Dinner/Dance/Auction, and Scholastic Book Fair. Parents and staff members are proud of our volunteer program. Our parent volunteers have logged thousands of hours volunteering in classrooms, fundraising, and coordinating numerous school enrichment activities and programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Reading/Language Arts	<p>The Collaborative Curriculum Design (CCD) units of study are an integral part of SRCS' comprehensive ELA curriculum. These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good, fair, or poor" The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary" good, fair or poor. Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 1/03/24 and had an overall rating of "Good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are insolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	40%	40%	22%	25%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Parents are an essential component of our learning community. Our School Site Council (SSC), which includes parent members, supports the efforts of the school to improve instruction and related services. Our ELAC helps the parents of English Learners feel welcome and ensures that they are contributing members of our school community. They have an important voice in matters that directly affect their children, and we honor that voice.

Our Parent Teacher Association (PTA) is very important and appreciated by the entire community. They help support educational programs, for example our Art Docent program which takes place during the school day. In addition, they also manage and support our after school enrichment program.

They provide teachers with classroom enrichment and field trip funding. They also contribute to our technology, athletic and assembly programs. Our PTA works tirelessly on events such as our Tigerfest carnival, Walk-a-thon, Dinner/Dance/Auction, and Scholastic Book Fair. Parents and staff members are proud of our volunteer program. Our parent volunteers have logged thousands of hours volunteering in classrooms, fundraising, and coordinating numerous school enrichment activities and programs.

School Safety Plan (School Year 2023–24)

Our PTA has provided safe, modern playground equipment. Teachers and Noon Supervisors supervise the playground before/after school and at all recesses. Students are expected to follow our safety guidelines, called the BEST Plus practices (Building Effective Schools Together). Our campus reflects the pride we have in ourselves and in our community. Our BEST Plus initiative encourages students to be Kind, Safe, Responsible and Respectful. Students are awarded Tiger Tickets for exemplifying these rules. Tickets are drawn weekly at each grade level and students get a prize. We hold school wide BEST assemblies quarterly. We are also implementing the Tool Box program, PBIS, and Restorative Justice which all provide students with ways to regulate and resolve conflicts.

Types of Services Funded (Fiscal Year 2022–23)

Students are provided academic support and intervention during the course of their school day and after school as well to aid them in meeting grade level content standards and learning skills. Our Single Plan for Student Achievement funds after school tutorial two days a week that addresses the needs of our second language learner students. The plan also provides an Instructional Aide to support teachers in meeting the needs of these students during the school day. The district funds a Teacher on Special Assignment one day a week to work with our students and provide one on one instruction and assessment.

We have two Special Day Classes on site that serve students in 1st grade-6th, as well as a Resource Specialist program. We have a Speech Therapist, Occupational Therapist, and Behavior Specialist serving students in need of those services. We also have a school counselor on site to support the emotional needs of our students 3 days a week, as well as a Restorative Specialist (one day/week).
