By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

About Our School

Luther Burbank Elementary continues to make tremendous growth as our school works hard to improve the academic achievement of all our students. The challenges of our high English learner population, and socio-economically disadvantaged student populations have brought out the best from each of our staff members. We work together as a Professional Learning Community (PLC) to analyze data, assess the needs of their students, provide after school tutoring and develop teaching strategies that achieve success in the classroom. We continue to assess Language Arts and Mathematics at regular intervals, as well as develop goals helping to improve our instruction. We have high expectations, and work closely with parents to provide the best program for all our students.

School Description and Mission Statement

Luther Burbank Elementary is located near downtown Santa Rosa across from Julliard Park. Burbank serves approximately 300 KA-6th grade students, employs 13 classroom teachers, Physical Education and Music teachers, a full time TOSA, RSP teacher, and Reading Teacher as well as countless other support staff. Burbank Elementary strives for student individuality, mutual respect, strong communication, a safe environment, and a high quality of education based on individual needs and special abilities for all.

The campus is filled with caring and dedicated staff, students, parents and community members who work diligently to ensure all children succeed. We have proudly lived up to our motto of "Everyone Working Together Towards Success".

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Reading/Language Arts	<p>The Collaborative Curriculum Design (CCD) units of study are an integral part of SRCS' comprehensive ELA curriculum. These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good, fair, or poor" The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary" good, fair or poor. Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 12/30/23 and had an overall rating of "Good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are insolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Our School Site Council (SSC), which includes parent and staff members, approves our school’s annual plan and budget expenditures. Our English Learners Advisory Committee (ELAC) oversees the quality of learning for our students who are learning English. All meetings and events are translated by bilingual staff members. Burbank Elementary hosts Family Nights that focus on literacy, math science or art. Additional family events such as Movie Night, Fall or Spring Festival and the Winter Concert are also an

important part of the school culture. Additionally, our school has a growing Parent Club which aims to support students and staff in many ways and we have partnerships with many organizations including the Oakmont Kiwanis, Schools of Hope, the Imaginists Theater group and members of the Church of the Incarnation.

School Safety Plan (School Year 2023–24)

A comprehensive safety plan is developed, updated, reviewed, and approved by our School Site Council yearly. District maintenance staff and our custodial staff inspect equipment regularly.

We have implemented the Building Effective Schools Together (BEST) Program which guides staff members in supporting all aspects of our campus, including actively supervising the playgrounds at recess. BEST Program also teaches students about playground safety guidelines and provides incentives and rewards for behavior well modeled. Safety drills, which include evacuation, earthquake, lockdown and shelter in place, are conducted monthly.

Types of Services Funded (Fiscal Year 2022–23)

The Title 1 and LCFF funds at Burbank help pay for a full time Reading Specialist teacher, who provides support to struggling readers in a small group setting. We have a Teacher on Special Assignment (TOSA) who works with small groups of students, coaching in English Language Arts, mathematics, and English language development. Additionally, the TOSA supports staff with assessments, data analysis, and professional development. Our resource specialist teacher works with special education students who have Individualized Education Programs (IEP'S) and are in general education classrooms. We have one Special Day Class (SDC) serving 4-6th grade students needing additional and specific support. Each of these classes also has an instructional assistant. Additionally, we have a full time Student Engagement Activities Worker as well as a full time Family Engagement Facilitator. The Student Engagement Activities Worker runs after school clubs, organizes recess activities and participates in planning monthly events for students. The Family Engagement Facilitator assists families with many things including translation and attends parent meetings such as PFO, ELAC, SSC and SSTs. Our full-time counselor works with a part-time Site Based Therapist to provide counseling services for students. Additional services provided by the district include a speech and language pathologist who is on site 2 days a week, a school psychologist on site 1 day per week, a nurse on site 1 day per week, and a hearing and vision specialist who is available as needed.
