| Description of Services | | Consideration | | | Evaluation and Metrics | | |
| The Educational Solutions renewal contract will support our commitment to facilitating the successful expansion of the Dual Language Immersion program through evidence-based strategies aimed at fostering the development of academic language skills across all subject areas. The framework provides an opportunity for dual language staff to work collectively to develop and support lessons that dismantle systems of oppression while also allowing emergent bilingual students to access grade-level standards regardless of language proficiency in either programming language. This contract will support professional development opportunities that will provide actionable outcomes that support the instructional needs of Emergent Bilingual Students in our Spanish Dual Language Program. | | Educational Solutions, Dr. José Medina and his team will lead the planning and design of this professional development in collaboration with Multilingual Services. Dr. Medina and his team use their extensive knowledge and expertise in the Dual Language Immersion community to provide professional development and technical assistance that are central to the goals of the Dual Language Immersion Grant that was awarded to the district from the California Department of Education. | | | Training attendance rate and post-training survey results will demonstrate an increase of 3-5% in understanding, increased attendance rate, and increased completion of actions as outlined in the Dual Language Immersion Grant. 2024/25 will be the baseline year for this metric. | | |
