

Intentions

- Honor our Mission, Vision and Priorities by implementing summer programs that support the whole student, including social-emotional and academic needs.
- Provide robust summer school academic supports and enrichment opportunities for K-12 grade students.
- Provide high school students with the opportunity to recover course credits in order to graduate.
- Provide programming that responds to student need and interest.
- Continue to build and expand community partnerships in support of students.

Notable

- Students served in summer programs in 2020: 1,646
- Students served in summer programs in 2021: 3,402
- Students served in summer programs in 2022: 2,703
- Students served in summer programs in 2023: 2,554
- Students served in summer programs in 2024: 2,970

- Number of 2020 summer programs: 6
- Number of 2021 summer programs: 24
- Number of 2022 summer programs: 18
- Number of 2023 summer programs: 14
- Number of 2024 summer programs: 17

- Several new or expanded summer offerings in summer 2024, including: Middle Grades Science, High School Credit Recovery, Elementary Academy Program & SR Rec & Park Programs.

Mike Hauser Academy

Location: Multiple STEM-related companies

Dates: June 10 - June 28

- Partnership with the Santa Rosa Metro Chamber of Commerce
- Offered to rising 9th graders
- Focus on strengthening math and science skills through STEM activities.
- Graduation Ceremony at Sonoma State University
- Number of SRCS students served & receiving five elective credits: 106

Migrant Education Elementary

Location: Abraham Lincoln Elementary School

Dates: June 17th- July 5th

- K/1, 2/3, 4/5, & TOSA
- Academic Focus: Writing and Math
- Cultural Lesson: Mayan Math and The Tarahumaras
- Self-Portrait Painting
- Rocket Lab
- Color Run Activity
- Sonoma County Library
- Showcase
- Field Day

Migrant Education Secondary

- Federally funded summer program that serves migrant students in grades from 6th through 12th grades.
- Hosted by Migrant Ed at Santa Rosa Junior College.
- Central components include development of cultural awareness and pride, as well as providing opportunities for credit recovery.
- Full day program ran for six weeks, and offered classes in mathematics, English, science, college readiness, history and Ballet Folklorico.
- Serving students from across the county, the program served 58 SRCS students this summer.

Extended School Year (ESY)

Three Locations:

Hidden Valley Elementary (HVES)/Deaf, Hard of Hearing (DHH)
Steele Lane Elementary (SLES) Preschool-6th
Ridgway High School (RHS) Middle School, High School & Transition Program

Dates: June 10th - July 10th [21 school days]

HVES: 17 students, 2 classes & 12 staff with Ms. Johanna “Hanni” Köhle and Mr. Brad Coscarelli

SLES: 167 students, 15 classes & 85 staff led by Ms. Vela Millen

RHS: 126 students, 11 classes, & 59 staff led by Ms. Julie Grange
Grand Total = 310 students; 28 classrooms and 156 staff

Focus:

English Language Arts (ELA), math, & Community Based Instruction (CBI) for Transition
Meeting academic, social and behavioral needs while creating a safe, positive learning environment built on inclusion and acceptance of diversity

Activities:

Based on ESY services on Individual Education Programs (IEP); services included speech, occupational therapy (OT), counseling services, adapted physical education (APE) and Life Skills for Transition

Thank you!
Santa Rosa City Bus, Yuri Koslen for free bus passes for students and staff and our own Lacinda Moore for organizing. Doug Kirk for supporting SLES campus with so much knowledge. West County Transportation; Carey Cox, over 12 bus routes (we love the color coded system). Santa Rosa City Schools, Food Services, Ed Burke and staff. RHS, SLES, HVES: Administration, Custodial and Office Staff supporting the ESY program. SRCS District Office Staff, Technology and Facilities. Michael Reimer, supporting administration throughout the entire process and summer sessions.

Luther Burbank - Arts/Mariachi Camp

- Popular summer program, together with Luther Burbank Center for the Arts, returned to Comstock Middle School.
- Offered classes in visual arts, drama, dance and mariachi to 159 SRCS students (with additional students from the greater Santa Rosa area).
- Served students from Kindergarten through twelfth grade.
- Showcase celebration and performance held on the final day of program at Luther Burbank Center for the Arts.

SRCS Owl Camps

2024

Campamentos Búho

- Provided 6 weeks of outdoor, experiential learning classes to students in grades 1 through 7 from Title I schools.
- Served 167 students from Santa Rosa City Schools (and additional students from the greater area).
- Hosted at variety of off-site locations, including: Preston Farm, Bohemia Ecological Preserve and Duckworth Farm.
- “Great experience with outdoor nature skills, hikes, and activities.” - SRCS Parent

EXCEL for Youth

Location: Santa Rosa Charter School for the Arts

Dates: June 24-28, July 8-12 and 15-19 (3 weeks)

- In partnership with SSU, EXCEL provided opportunities for students going into 4th-8th grade for 3 weeks
- Students participated in 2 classes each day for 1, 2, or 3 weeks of fun activities based in STEAM
- Over 150 students enrolled from every SRCE Elementary and Charter school.
- Activities included creating art, building circuits, learning improvisation, coding, and even playing Quidditch!

EXCEL for Youth

Students participating in Quiddich (below) and putting on a musical (right)

Santa Rosa City Recreation & Parks

- Recreation Sensation program represented a collaboration together with Santa Rosa City Recreation and Parks Department and ran from June 17th - July 26th.
- Programs offered to K-6 students at Abraham Lincoln and Brook Hill Elementary Schools, and students in grades 4-8 at Piner High School. Served a total of 209 students.
- Program included student choice into variety of activities, including sports, arts themed offerings and enrichment activities - including 9 days of swimming at Finley and Ridgway community pools.

SRCS Summer Childcare Camp 2024

Dates

**From June 10th
to August 9th**

Location

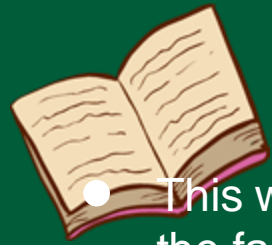

- Hidden Valley Child Care
- Arts Charter Child Care
- Proctor Terrace Child Care
- Cesar Chavez Child Care

231 Students

- Field Trips
- Stem Activities
- Arts & Crafts
- Reading Club

Our program focused on social-emotional learning through meaningful peer interactions, creating a greater sense of community. By building nurturing relationships with the children, our Childcare staff contributed to their growth by helping them master problem-solving, become better communicators, acknowledge their own and others' feelings, and acquire the tools to de-escalate and resolve conflicts.

Middle Grades MathLab & Science Camps

- This was our first year offering Science and Math Day camps to any incoming 4-8th grade student. By utilizing the facilities at Piner High School, students were able to do hands on activities in both Math and Science. Some highlights of our time together...
 - Rocket building and Launch
 - Building Thinking Classrooms with Math
 - Math steeplechase across the Piner Campus
 - Measuring flight with Water Balloons
 - Slime Making
 - Nature Walks & Creekbed Science observation
 - Seed planting
 - Geocache

Field Trips;
Piner Creek
Sonoma Energy Building
Geocache - Riverfront Park

Special Visit from Safari Encounters!

Arts Charter Maker Camp

- STEAM - Science, Technology, Engineering, Arts and Math focus
- The STEAM Maker Camp offered students a dynamic blend of activities
- From roller coaster building and crystal candy creation, to artistic endeavors such as stained glass paper crafts and shadow puppets.
- Explored nature as urban naturalists, created personal art portfolios, and learned new cooking techniques
- Creativity, collaboration, and curiosity in a variety of disciplines.

Santa Rosa French American Charter

SRFACS Coding and La Joie de Vivre

Coding and Robotics

- Early CTE
- Mathematical thinking
- High levels of engagement

La Joie de Vivre

240 Students
22 Days of Instruction, Physical Activities and Social-Emotional Learning
SRFACS Elementary campus

- Magic and Performance skills in French
- Board Games and Art in French
- Gardening for food and pleasure
- Bilingual Rules Rodeo preparation and Restorative Conversation (SEL)
- Community building (in French)
- Outdoor play, meals and friends!

Cesar Chavez Language Academy

- Served approx. 120 students in K-6th grade for 3 weeks in June.
- Reading Focus
 - Novel studies in 4th-6th
 - 3 Instructional Assistants pushed in to Kinder - 3rd grade classes to provide targeted small group literacy instruction for each child each day.
 - Culturally relevant curriculum
- Math Focus
 - Games, manipulative, learning stations
- Physical Education

Boys & Girls Club Program

- Integrated with the Elementary Academy, Migrant Program, CCLA and Arts programs to offer full 9-hour day for students and families (ELOP funding).
- Supported students in variety of enrichment activities in afternoon programming. Served a total of 584 K-6 students.
- Coordinated and led with existing Boys & Girls Club team members during the school year from across the district.
- Incorporated several special themed events and contests, including:
 - Boys & Girls Club Olympics
 - Campchella for Kids
 - Student Dance Competitions

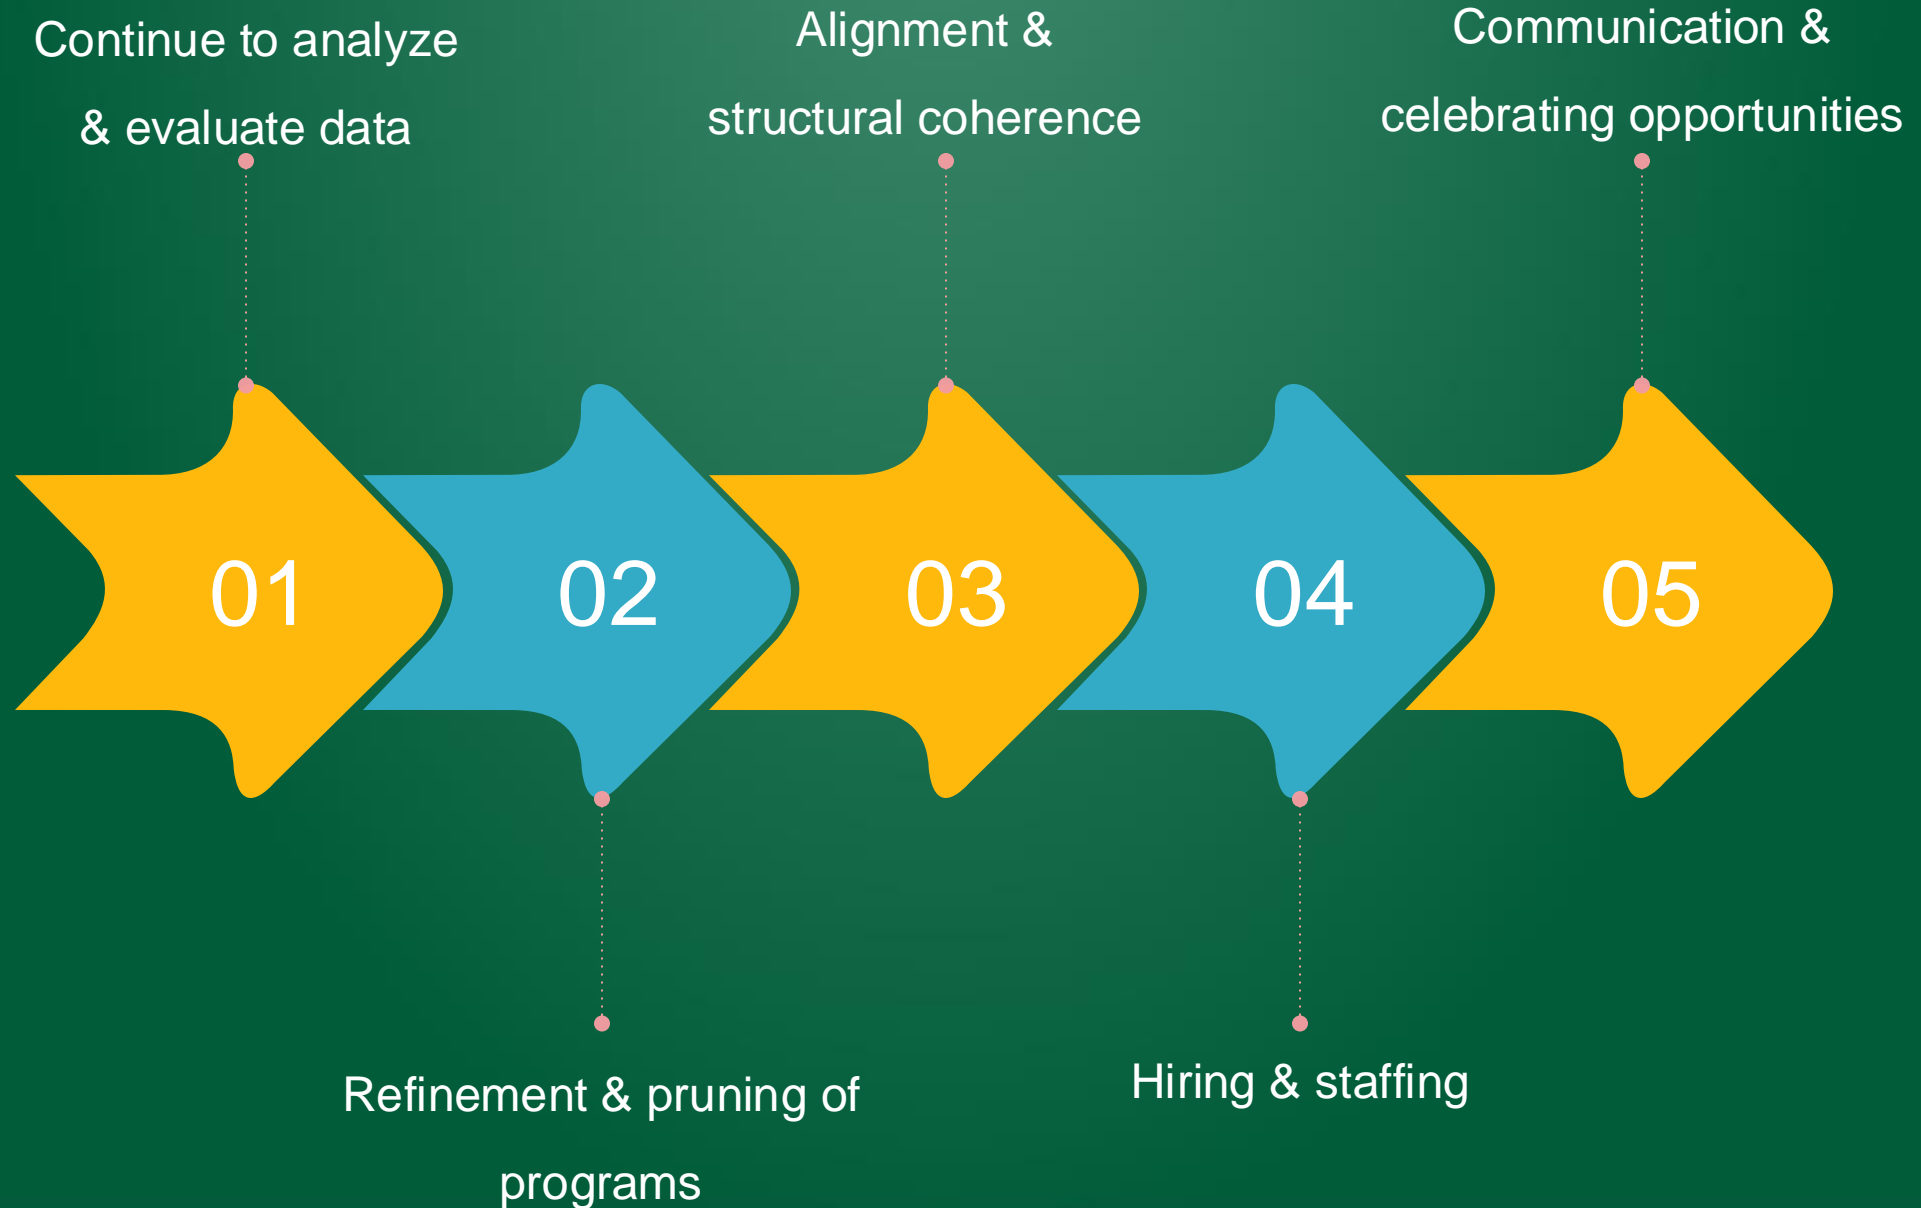

Student & Family Voice - 127 Respondents

- 87% Strongly agree or agree that the program supported the student's academic needs (69% in 2023).
- 77% Strongly agree or agree that the program supported the student's social emotional needs (68% in 2023).
- 83% Strongly agree or agree that the student enjoyed the summer program (75% in 2023).
- 77% Would you choose to enroll your student in this same program again? (68% in 2023).

Looking Ahead to Next Summer
