AND WHEREAS, The Board of Education must also make a determination as to whether each pupil enrolled in a foreign language or health course has sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education for those subjects (“Required Subject Areas”); and

WHEREAS, Section 60119 of the Education Code defines sufficient textbooks and instructional materials to mean that each pupil, including English learners, has a standards-aligned textbook or instructional materials, or both, to use in class and to take home in the Core and Required Subject Areas. Section 60119 does not require two sets of textbooks or instructional materials for each pupil; and

WHEREAS, In the 2023-2024 school year, the District expended \$2,979,161 for Core and Required textbooks. The district has budgeted \$1,459,000 for the 2024-2025 school year primarily to purchase other Core and Required textbooks, and as of August 29th, 2024, the District has already expended and encumbered \$1,005,907; and

WHEREAS, By September 26, 2024 all principals in San José Unified have provided certifications and supporting documentation indicating whether each pupil in each school in the District has, as of the date of certification, sufficient textbooks or instructional materials, or both, in the Core and Required Subject Areas, and, in those instances in which the initial certification indicated that an insufficiency existed, that the insufficiency has been remedied; and

WHEREAS, The District has put into place procedures by which it will address, on an ongoing and continuous basis, reported subsequent identified needs for textbooks or instructional materials, or both, in the Core and Required Subject Areas; and

WHEREAS, The Superintendent of Schools, or designee, verifies, on an on-going and continuous basis, the subsequent identified needs for textbooks or instructional materials, or both, in Core and Required Subject Areas and funds appropriate requests within 10 days of the receipt of the request; and

WHEREAS, The Superintendent of Schools, or designee, will ensure, on an on-going and continuous basis, that orders for needed textbooks or instructional materials or both, in Core and Required Subject Areas will be placed within 5 days; and

WHEREAS, The Board of Education must make a determination regarding the availability of laboratory science equipment, as applicable, to science laboratory science courses offered in grades 9 to 12; and

WHEREAS, On September 26, 2024 all principals of schools offering science laboratory courses in grades 9 to 12 have provided certifications and supporting documentation indicating sufficient science laboratory equipment in science laboratory courses offered in grades 9 to 12.

NOW, THEREFORE BE IT RESOLVED, that the San José Unified School District Board of Education finds that as of the date of this hearing, for the 2024-2025 school year, all pupils in all schools in the District have been provided sufficient textbooks or instructional materials, or both, that are aligned to the content standards and are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education in the Core and Required Subject Areas; and

BE IT FURTHER RESOLVED, that the San José Unified School District Board of Education declares that as of the date of this hearing, for the 2024-2025 school year, that all science laboratory classes offered in grades 9 to 12 in the District have been provided with sufficient science laboratory materials; and

BE IT FURTHER RESOLVED, that the San José Unified School District Board of Education declares that it has timely and fully complied with the requirements of section 60119 of the Education Code for 2024-2025 school year.
