Description of Services		Consideration			Evaluation and Metrics		
Ad-Vantage marketing will provide preparation and printing services for elementary and secondary report cards. This includes printing of report cards, folding of report cards, preparation of mailing envelope, and inserting into envelopes.		Santa Rosa City Schools sends progress and semester report cards to all secondary student families and end-of-year report cards to elementary student families. This amounts to about 83,500 pieces of mail sent home annually to our families. Ad-Vantage Marketing will prepare the report cards for about 34 cents each, all-inclusive. This is cheaper than our direct costs in preparing the report cards in-house. This not to exceed amount covers the report card preparation costs for the 2024-2025 school year.			We will evaluate the report card production time. We utilized this service on a smaller basis last year.

Continuation of the 12-week online mentorship program for students between 13-18 years old. Mentors routinely engage with participants through a secure messaging service, live stream video and voice over internet calls via Appa's platform. The Mentor will not meet participants in person or communicate with participants outside of Appa's platform.		SRCS and SCOE are partnering together to provide a continuation of the mentoring program begun last spring for up to 70 students. Funded by Sonoma County Office of Education.			Evaluation of the success of this mentorship program will include a review of attendance, behavior and academic engagement of the students who participate and an evaluation of the willingness to participate of our community.

Google Workspace for Education Plus (formally G Suite Enterprise for Education) provides institutions with a suite of communication and collaboration tools along with advanced security features to enhance security, teacher instruction, and student learning.		Google Workspaces is the main collaboration tool for both staff and students for communication via Email (Gmail), Videoconferencing (Google Meet), Shared documents (Google Docs), Calendars (Google Calendar), etc.  SRCS teachers and students use Google Classroom as their main learning management system and as an aggregator of all other educational platforms. Last year, SRCS found invaluable benefits from the Google Workspace for Education Plus edition features such as: Advanced Security and Analytics, Enhanced Meet Functionality, Originality Reports . New this year, Google Workspace for Education Plus introduces Practice Sets as solution to transform new and existing content into engaging and interactive student's assignment for personalized learning.			Students and staff gain timely access to instructional material and are able to communicate and work collaboratively.

<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>		
The CATIP program will provide specifically designed accredited induction support, mentoring, coaching and technical assistance to agricultural teachers in their first or second year of teaching set forth by the Commission on Teacher Credentialing (CTC) for a high school agricultural teacher within our district.		CATIP covers the induction needs of early career agriculture teachers with Preliminary Single Subject: Agriculture or Designate Subjects: Agriculture credential. The CATIP program is different from most induction programs in that that they support early career agriculture teachers with veteran agriculture teacher mentors who work in neighboring schools and districts, and provide contextualized professional development through a network of agricultural teachers from the California Agricultural Teachers' Association (CATA). This induction program is accredited through the Commission on Teacher Credentialing via Davis Joint Unified School District and operates state-wide.			The 2024 CATIP Program Teacher successfully completed the induction program. The annual survey regarding the Induction Program showed that participants strongly agreed that the program has assisted them in expanding their skills as an Agricultural Teacher.

<p>North Bay Bilingual Teacher Residency Program (NBBTRP) will increase and diversify the bilingual teacher pool by recruiting and retaining high-quality local teacher candidates pursuing an added bilingual authorization who reflect the demographics of the SRCS students through a partnership with Sonoma State University and Napa Valley Unified School District. Teacher Residency preparation programs provide intensive support and opportunities for residents to become teachers in the district in which they are a resident. The actions and commitments outlined in the contract support the time for partners to plan collaboratively to provide recruitment, training, professional learning opportunities, and ongoing mentorship in order to produce high-quality future bilingual educators.</p>			<p>The North Bay Bilingual Teacher Residency Program is funded by a California Teacher Credentialing Residency Grant. The term of this MOU is from July 1, 2024, to June 30, 2025, with Napa Valley Unified School District. NVUSD is the Lead LEA for the grant and thus receives the funding from CTC and must develop contracts with sub-awardees so that grant funds can be provided per the grant budget. The contracts also outline the specific commitments that all three partners are making to support the recruitment and development of high-quality bilingual teachers.</p>			<p>1. Execution of the activities as written in the North Bay Bilingual Teacher Residency Grant.</p> <p>2. Submission of annual reports, including data from the Napa Valley Unified School District residency program as part of the partnership.</p>

Description of Services		Consideration			Evaluation and Metrics		
Contractor will work with students to provide speech-language assessment and services as required by special education law and students' IEPs. Contractor will also write assessment reports and IEP documents, case manage student IEPs and participate in IEP meetings.		Due to vacant SLP positions, and a maternity leave there are students with required Speech services that are not being provided. The vendor will provide these services through legally compliant services. This contractor has been providing this service since November 2022. This addendum increases the contract by \$196,300.00. Original contract was approved by the board on August 14, 2024.			The contract has been successful this year. Adding this additional provider to the existing Contract will allow SRCS to provide these services. The contractor has met the terms for renewal: 1. maintaining service minutes, documenting in the recording system, providing progress on goals and attending IEPs. The Principal / Program manager has determined that services have been met and an extension is appropriate. Students receiving service will make progress in IEP goals
