San Jose Unified School District: Tier 3 Intervention Services  
Service Options – SY 24/25**

**Context**

Pacific Clinics proposes to provide San Jose Unified School District with Tier 3 Intervention Services for the 24/25 school year. Services can support a range of student, educator, and family/community needs. Services include direct student support (e.g., 1:1, groups), addiction prevention, service plan development, caregiver coaching, teacher consultation, workshops, and case management/linkage.

Various mental health related concerns (e.g., absenteeism, social isolation, substance use, ASD, ADHD, anxiety, depression, etc.) will be addressed through services. Services will be provided for the duration of the school year, with no services on school breaks. These options can be adjusted based on district needs or preferences. Please see below for information regarding additional services Pacific Clinics can offer for the 24/25 school year.

**Statewide Multi-Payer Fee School-Linked Schedule:** Pacific Clinics can offer specialized support and consultation with navigation, design and implementation related to participation in the CYBHI fee schedule released by DHCS. This can include, but not limited to:

- Workflow design for service identification in alignment with CPT billing codes
- Collaboration on Electronic Health Record (EHR) utilization
- Documentation review and consultation on set up
- Maximization of staff time cross walked with reimbursement pathways
- Direct billing into the fee schedule by Pacific Clinics staff on behalf of service rendered at the school

**Wellness Center Services:** Pacific Clinics can offer consultation, implementation, and operations to support schools with installation and launch of Wellness Centers as requested. This can include:

- Environmental design related to welcoming environments
- Student development and engagement
- Direct social emotional wellness services
- Coordination of care, referral pathways, and community engagement
- Educator professional development

**Access into Pacific Clinics Continuum of Care:** Pacific Clinics has a robust continuum of care, from prevention to mobile crisis services. This can include:

- School Linked Services (SLS)
- Prevention Early Intervention (PEI)
- Mobile Crisis
