Vendor		Service Provided to the following sites or individuals						
Walker Creek Ranch		Hidden Valley Elementary School						
Department / Person Submitting Contract		Cost	Length of Contract		Object Code	Funding Source		
Educational Services / Brad Coscarelli		\$26,905.00	November 12, 2024 - November 15, 2024		N/A	N/A		
Description of Services			Consideration			Evaluation and Metrics		
The Marin County Outdoor School at Walker Creek Ranch is dedicated to helping elementary schools satisfy their educational goals through quality instruction within a special learning environment that inspires and motivates students to achieve an appreciation of the natural world. Using the principles of thematic instruction, the Outdoor School program enhances a student's critical thinking, processing, and socialization skills.			As an outdoor education program, Walker Creek Ranch provides students with a quality science education, strengthens bonds with their peers, and increases their environmental awareness. Students leave with the confidence that they are the much-needed stewards of the land. Funding by Fundraising, Parent and Faculty Organization.			Teacher, student and parent feedback. Teacher assessment of student work while at the outdoor education program and afterwards.

Vendor		Service Provided to the following sites or individuals														
Lime Foundation NextGen Trade Academy		Elsie Allen High School														
Department		Cost		Length of Contract		Object Code	Funding Source									
Educational Services/ Michael Reimer		No Direct Cost		January 1, 2025 - June 30, 2025		N/A	N/A									
Description of Services			Consideration			Evaluation and Metrics										
<p>The LIME Foundation, NextGen Trades Academy (NGTA). Program introduces underserved youth to essential careers in the construction industry and then matches graduates with gainful employment. The program is based in Sonoma County, and includes students referred from the greater Bay Area. Students are referred by high schools, community partners, and former graduates as well as community outreach events.</p>			<p>This opportunity will be fully funded by Elsie Allen High School Foundation. Next Gen Trades Academy will provide two 3-week cohorts of the NGTA Core Curriculum to EAHS high schoolers ages 16-19. The classes will take place on Tuesdays, Wednesdays and Thursdays from 3:30pm to 5:30pm. The cohorts will be scheduled for the Fall 2024 or Spring 2025.</p>			<p>Career Preparedness – Up to 40 EAHS students will participate in ten trades classes and five career development workshops during two cycles of the program. This metric is measured throughout the program with a goal to provide career exposure and teach introductory construction trade skills.</p> <p>Safety Certifications – 70% or higher number of students will receive their Cal OSHA safety certifications. This metric is measured at the end of class as a graduation requirement to assess basic safety knowledge and prepare students for work as apprentices, employees and entrepreneurs.</p> <p>Vocational Career Planning – 100% of graduates will complete a vocational career plan and participate in at least two trade-related interviews within 30 days. This metric will empower students to secure meaningful employment in the trade of their choice.</p>

Description of Services			Consideration			Evaluation and Metrics		
Annual District E-Rate Application - 3 years contract The E-Rate program, created by the FCC in 1996, helps U.S. schools and libraries afford telecommunications and internet services. Discounts range from 20% to 90%, based on financial need and location, with a focus on rural and low-income areas. E-Rate supports technology infrastructure upgrades, enabling schools to expand broadband access and improve digital learning. It plays a key role in closing the digital divide and enhancing classroom technology use.			Each year, SRCS applies for E-Rate funding with the assistance of Richard Tunheim, dba Aarrestad-Gjervik Consulting, the district's E-Rate consultant. The consultant helps SRCS navigate the evolving legislative landscape to identify the most beneficial funding opportunities. These consulting services have saved the district millions of dollars in some years, all for a nominal fee. Each year Richard Tunheim, dba Aarrestad-Gjervik Consulting - Reviews District's prior years application to meeting with District personnel. - Meeting with personnel to determine scope for each funding year. - Provide recap of meeting with any timelines and deliverables required to initiate - Follows the E-Rate application process in the name of the District as follows: • Issuance of E-Rate forms identifying services for which District is seeking discounts. • Develop and distribute Requests for Proposals (RFPs) in support of District's E-Rate application, as necessary. • Review RFP responses with District staff and assist in selection of service provider, as requested, to be identified in District's E-Rate application. • Submit s E-Rate application(s) and provide District with status reports as application(s) work through the E-Rate process. • Respond to SLD during E-Rate audit process. • Upon approval of District's application(s), submit E-Rate and any vendor forms to allow District to receive discounted billing and/or reimbursement for approved services.			Yearly savings though the eRate program (e.g. \$1,401,913.00 in 2024)

Educational Services / Erika Raffo	\$15,000.00	7/1/2024 - 6/30/2025			5212	CTE Foundation	
Description of Services		Consideration			Evaluation and Metrics		
Provide 6 days of professional development training to leadership team made of up site principals and staff from Elsie Allen High School. Staff will learn and apply evidence based practices to implement in the classroom. Teams will analyze data such as standardized test scores, graduation rates, and other academic outcomes. Teams will focus on improving school culture and climate for staff, students and families.		Districts that have sent leadership teams to the trainings have seen a rise in academics and positive school culture. Several schools were identified as exemplary school sites. This allows leadership teams to articulate and align best practices for student achievement.			Pre and Post program evaluation, student growth, and teacher retention rates.

Vendor	Service Provided to the following sites or individuals						
Keystone Therapy & Education Services (KTS)	Keystone will provide 5 Wellness Coaches to be assigned to High School Wellness Centers.						
Department / Person Submitting Contract	Cost	Length of Contract			Object Code	Funding Source	
Eric Lofchie	No Cost To District	October 24, 2024 - June 30, 2025			N/A	N/A	
Description of Services		Consideration			Evaluation and Metrics		
This partnership between Keystone Therapy and Training Inc (KTS) and Santa Rosa City Schools (SRCS) will provide staffing for Wellness Centers by utilization of the Health Care Access and Information (HCAI) Certified Wellness Coaches Grant to serve in Wellness Centers in order to support students and allow the opening of wellness centers at High School Sites. Through SCOE SRCS has up to \$990,600 funding available through June 2026 through the HCAI Wellness Coaches Employer Support Grant awarded to SCOE and KTS.		It is expected that the MOU will provide 5 Certified Wellness Coaches (CWCs). This partnership will allow SRCS to pilot CWCs without having to incur the risk of creating new SRCS positions that may be unsustainable based on uncertainty of the Children and Youth Behavioral Health Initiative (CYBHI) Multi-payer Fee Schedule implementation timeline. It is the intent of this pilot program to determine the viability of SRCS creating CWCs and moving forward with these positions funded by the Department of Health Care Services and the HCAI CWC Grant. All unused funding will remain available for SRCS to create internal CWCs if appropriate.			Wellness Coaches will be a key component of Wellness Centers that will track student participation. Wellness Coaches will be evaluated through tracking attendance, grades, and behavior incidents of students who participate.

Educational Services / Debi Cardozo	\$4,571.25	October 23, 2024 - October 24, 2024		5800	LCAP			
Description of Services		Consideration			Evaluation and Metrics			
The Sonoma County Fairground Hall of Flowers Facility Use Agreement for a Career Day for 8th grade students.		Career-connected learning, also known as Work-based learning, provides students and staff the opportunity to connect school to real-world experiences and explore careers by collaborating with business and community partners. The District is committed to preparing students to be ready for postsecondary success, and look forward to providing this opportunity for our students to learn more about their options. Middle school counselors requested that we have another district middle school career day this year in the Fall. This year, Career Technical Education Program teachers have been invited to participate so students can learn more about program options connected to career opportunities before registering for classes. This event also aligns with requests from community members during our LCAP meetings, to provide more career-related activities in middle schools.			Students, middle school counselors/teachers, and industry/community partners were surveyed after the event last year. 100% of counselors/teachers that completed the survey indicated that the career day assisted their students in knowing more about the career options available in our area. Of the industry partners that responded, 100% said they would participate again. Of the students that responded, 97% shared that they would recommend the event to another student and that the event assisted them in learning more about career options available in the area.
