NEW! Bridge the Gap 2025 Edition

The newest edition of Bridge the Gap equips teachers with everything they need to identify gaps in older learners' phonemic awareness skills and provide tailored intervention support, empowering all students to thrive as proficient readers.

Designed as a crucial component of literacy intervention, Bridge the Gap focuses on addressing the often overlooked aspects of phonemic awareness. Our newest edition is rooted in the latest research and includes the support and guidance necessary to improve literacy outcomes effectively.

Curriculum Structure

Overview:

The new Bridge the Gap 2025 Edition intervention lessons include explicit instruction in early, basic, and advanced phonemic awareness skills. The curriculum is broken into three parts that increase in level of difficulty:

- **Part 1:** Phoneme Isolation: Initial, Final, & Medial Phonemes
- **Part 2:** Blending & Segmenting Phonemes
- **Part 3:** Phoneme Manipulation: Adding, Deleting, & Substituting Phonemes

Grade level:

Grades 2 and above

Setting:

Lessons are designed to be part of a Tier 2 or Tier 3 intervention program and taught in one-to-one or small-group settings.

Length:

5-7 minutes

The new Bridge to the Gap 2025 Edition now allows teachers to extend and connect to print through phoneme-grapheme connections built into each lesson. Teachers are provided with even more targeted instruction with guidance for error analysis and lesson alignment. Our new lesson resources provide additional application and incorporate embedded teacher support for easy and effective intervention.

Empowering Teachers to Bridge the Gap

Embedded Support

Teachers build instructional knowledge through the explicit language provided in the lessons, ensuring minimal prep and planning. On-demand professional development modules in myHeggerty ensure teachers have the knowledge and tools they need.

Tailored Instruction

Lessons are adaptable and designed to strengthen specific phonemic awareness skills in a systematic progression of development based on individual placement assessment results.

Targeted Assessment

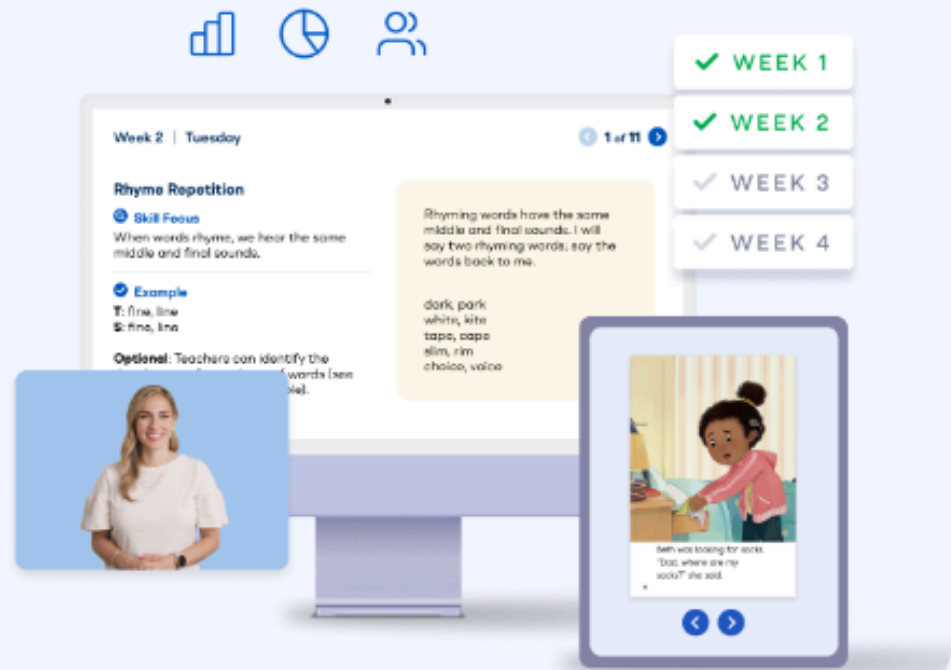

Curriculum assessments and continuous progress monitoring allow teachers to identify specific skill gaps to deliver targeted instruction based on unique student needs.

Wherever And Whenever You Need

myHeggerty is your classroom companion, providing digital access to the curriculum, texts and passages, student practice resources, digital learning tools, and assessments.

Customer stories

“

We use this in intervention & it's awesome! It really lets you target in on areas where the student is struggling to hear some sounds.

Marsha, Teacher

“

The assessment is easy to use and clearly indicates the lessons to follow in order to help students bridge their phonological awareness learning needs.

Jacqueline, Teacher

“

Being a resource teacher, I have a limited amount of time with my students and the Bridge the Gap: Intervention lessons are perfect.

Judy, Administrator
