## 2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### 2024-25 School Description and Mission Statement

**About Our School**  
Luther Burbank Elementary continues to make tremendous growth as our school works hard to improve the academic achievement of all our students. The challenges of our high English learner population, and socio-economically disadvantaged student populations have brought out the best from each of our staff members. We work together as a Professional Learning Community (PLC) to analyze data, assess the needs of their students, provide after school tutoring and develop teaching strategies that achieve success in the classroom. We continue to assess Language Arts and Mathematics at regular intervals, as well as develop goals helping to improve our instruction. We have high expectations, and work closely with parents to

## 2024-25 School Description and Mission Statement

provide the best program for all our students.

### School Description and Mission Statement

Luther Burbank Elementary is located near downtown Santa Rosa across from Julliard Park. Burbank serves approximately 340 KA-6th grade students, employs 16 classroom teachers, Physical Education and Music teachers, a part-time Reading TOSA, RSP teacher, as well as countless other support staff. Burbank Elementary strives for student individuality, mutual respect, strong communication, a safe environment, and a high quality of education based on individual needs and special abilities for all.

The campus is filled with caring and dedicated staff, students, parents and community members who work diligently to ensure all children succeed. We have proudly lived up to our motto of “Everyone Working Together Towards Success”.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

<b>Reading/Language Arts</b>	<p>The Collaborative Curriculum Design (CCD) units of study are an integral part of SRCS' comprehensive ELA curriculum. These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. The SRCS Board of Education approved this curriculum in May 2020.</p> <p>Lucy Calkins Units of Study in Opinion, Information, and Narrative Writing. <b>Science</b>	FOSS (Full Option Science System) is a research-based science curriculum for grades K-6 developed at the Lawrence Hall of Science, University of California, Berkeley. FOSS has evolved from a philosophy of teaching and learning that has guided the development of successful active-learning science curricula for more than 40 years. The FOSS Program bridges research and practice by providing tools and strategies to engage students and teachers in enduring experiences that lead to deeper understanding of the natural and designed worlds.		0
<b>History-Social Science</b>	Students begin their exploration of History/Social Science using the standards based Pearson Scott Foresman "California History/Social/Science" program from kindergarten through fifth grade. The McMillan/McGraw Hill "California Vistas" program is used in sixth grade in order to prepare students for middle school. Students learn about citizenship beginning in first grade, and in second grade, students explore the lives of both current and historical figures. The theme in third grade is continuity and change, with California the subject of student studies in fourth grade.  American History is the focus in fifth, while sixth grade emphasizes ancient world cultures. Woven throughout all grade levels is instruction in geography and the environment and their influence on culture.		0
<b>Foreign Language</b>	N/A		0
<b>Health</b>	Growth, Health and Development as instructional materials		0
<b>Visual and Performing Arts</b>	All students have music each week and Intermediate students all play an instrument.		0

## School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good, fair, or poor" The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary" good, fair or poor. Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office. This school was inspected in September 2024 and had an overall rating of "Good". The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	35	30	25	24	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Our School Site Council (SSC), which includes parent and staff members, approves our school's annual plan and budget expenditures. Our English Learners Advisory Committee (ELAC) oversees the quality of learning for our students who are learning English. All meetings and events are translated by bilingual staff members. Burbank Elementary hosts Family Nights that focus on literacy, math science or art. Additional family events such as Movie Night, Fall or Spring Festival and the Winter Concert are also an important part of the school culture. Additionally, our school has a growing Parent Club which aims to support students and staff in many ways and we have partnerships with many organizations including the Oakmont Kiwanis, Made in Santa Rosa, Sonoma Water, Pathways Environmental Education, Schools of Hope, the Imaginists Theater group and members of the Church of the Incarnation.

## 2024-25 School Safety Plan

The 2024-2025 School Safety Comprehensive Framework by Santa Rosa City Schools emphasizes creating a safe, inclusive, and empowering environment that supports both academic success and emotional well-being. Grounded in the values of embrace, engage, and empower, the framework outlines nine focus areas: campus security enhancements like controlled

## 2024-25 School Safety Plan

access and surveillance, sufficient safety equipment, and professional development for staff regarding safety protocols and wellness. It also highlights mental health supports such as counseling services and conflict resolution programs, and collaboration with first responders and community partners for coordinated incident responses. A multidisciplinary threat assessment protocol, standardized emergency responses, and the implementation of an Incident Command System (ICS) ensure the district is prepared for various emergencies. Finally, reunification and recovery protocols aim to restore normalcy post-crisis, focusing on emotional and logistical support for students and families.

The plan also integrates continuous improvement measures, such as regularly updating emergency plans and conducting drills, and is aligned with the district's Facilities Master Plan to ensure feasibility and sustainability. The framework underscores the collective responsibility of staff, families, students, and community partners in fostering a culture of safety and readiness. By addressing physical, emotional, and systemic aspects of school safety, the framework sets the foundation for nurturing an environment where students feel secure and empowered to achieve their full potential. It reaffirms the district's commitment to collaborative and data-driven approaches to enhance safety across all campuses.

## Fiscal Year 2023-24 Types of Services Funded

The Title 1 and LCFF funds at Burbank help pay for a part-time Reading Specialist teacher, who provides support to struggling readers in a small group setting. Our resource specialist teacher works with special education students who have Individualized Education Programs (IEP'S) and are in general education classrooms. We have one Special Day Class (SDC) serving 4-6th grade students needing additional and specific support. Each of these classes also has an instructional assistant. We also have a TK-1 SDC class with multiple aides and we have a TK-1 Rise Program classroom with multiple aides. Additionally, we have a full time Student Engagement Activities Worker as well as a full time Family Engagement Facilitator. The Student Engagement Activities Worker runs after school clubs, organizes recess activities and participates in planning monthly events for students. The Family Engagement Facilitator assists families with many things including translation and attends parent meetings such as PFO, ELAC, SSC and SSTs. Our full-time counselor works with a part-time Site Based Therapist to provide counseling services for students. Additional services provided by the district include a speech and language pathologist who is on site 2 days a week, a school psychologist on site 1 day per week, a nurse on site 1 day per week, and a hearing and vision specialist who is available as needed.

## Professional Development

The LEA provides various professional development opportunities for staff:

**Grade-Level Collaboration:** Grade-level teams meet twice a year to align instructional practices.

**Monthly Curriculum Support:** Teachers receive monthly guidance on curriculum implementation and strategies for effective first instruction.

**Math Training:** Staff participated in two additional math sessions emphasizing engaging practices from the new math framework.

**Support for Multilingual Learners:** Collaborative opportunities to address multilingual learners' needs are offered multiple times annually.

**Specialized Programs:**

Transitional Kindergarten and Kindergarten teachers engaged in the Pyramid Model project to address challenging behaviors and build young children's social skills.

Expanded Learning Opportunity programs provided training for site leaders, after-school professionals, and summer teams, covering inclusive practices, de-escalation strategies, registration support, best practices, and team building.

**District-Wide Professional Development:**

Two annual professional development days are provided for certificated and classified staff. This year's focus included school safety through Essential 5 and reviewing Comprehensive School Safety Plans.

Ethnic Studies training is offered at three levels: Ethnic Studies 1.0, 2.0 and 3.0.

Elementary administrators meet bi-monthly to align Tier 1 practices using district-adopted curriculum.

**Math Redesign:**

Professional learning focused on district-wide coherence from elementary through 12th grade, emphasizing culturally relevant math modeling, formative assessments, Building Thinking Classrooms, and Boaler's strategies for fostering a growth mindset and positive math identity.

Training supported the implementation of the New California Math Framework at school sites and for leadership teams.
