COUNSELOR
ASSOCIATION

***Celebrating the unique
contributions and
positive impact of
School Counselors***

School Counseling

The ASCA National Model.

School counselor training and position make them uniquely qualified to provide and collaborate on education, prevention, intervention and referral services that promote

- academic success,
- career readiness, and
- social, emotional and mental wellness skills for all students

To further support and celebrate comprehensive school counseling, NC recently launched the [NC School Counseling Diamond Award](#)

School Counseling Consultant

29 years of service with NC:

- School Counselor
- Community College Adjunct Instructor
- NC DPI Consultant for School Counseling/ Safe Schools/ Student Support Services
- District Executive Director of Student Services
- NC DPI Consultant for School Counseling

Cynthia Floyd
