

**Charter Schools Advisory Board (CSAB)**  
**Kestrel Heights Charter School Motions**  
**December 9, 2016**

(1) A motion was made and seconded to reconsider a previous motion to recommend a 10-year charter renewal pending financial review.

(2) A motion was made and seconded to recommend the following to the State Board of Education about Kestrel Heights.

a. Kestrel Heights should conduct a full investigation and provide a report of what caused the issue and the steps they took to rectify the issue from 2008 until current.

b. The report should include but is not limited to transcripts, letters, notes, and other relevant items and should be complete/submitted by January 3, 2017 for review at the regularly scheduled January CSAB meeting.

c. Immediately place Kestrel Heights on governance noncompliance and notify the Office of Charter Schools (OCS) of the employees in questions and if those individuals held licenses.

d. Until further recommendation from the CSAB do not consider the renewal request of Kestrel Heights.

e. Refer the case to the District Attorney of Durham County to determine if any criminal investigation is warranted.
