"Educating Georgia's Future"

Georgia Department of Education
Item for State Board of Education Approval
– Grant –

Item Name

WCS – Grant – FY24 School-Based Health Center (SBHC) Renovation Grant

Recommendation – Action Item

It is recommended that the State Board of Education authorize the State School Superintendent to award a grant to two local education agencies (LEAs) at a cost not to exceed \$1,232,000 in Federal Funds for the renovation and infrastructure of new school-based health centers (SBHCs).

Supports the Following Education Goal or Goals in the Agency Strategic Plan

- Foster a safe, healthy, and positive learning climate in every school.
- Expand educational opportunities and non-academics supports in order to maximize student engagement, meet student needs/interests, and ensure the relevance of learning.

Rationale

This grant will provide \$308,000 to Fulton County to renovate space for a SBHC at Love T. Nolan Elementary School and \$924,000 to Clayton County to purchase two modular units and renovate space for the SBHCs at Forest Park Middle, Lee St. Elementary, and Huie Elementary School, respectively.

Details

Objective:	Provide funds to build out SBHCs in Fulton and Clayton County.

Performance

Describe how the grant will be monitored to ensure satisfactory performance: Office of Whole Child Supports staff will continue to perform routine check-ins with SBHC planning teams in Fulton and Clayton County throughout the course of the grant period to monitor progress. Budgets and spending will be monitored via the Consolidated Application.

Performance, criteria, and results: Satisfactory performance will be determined by whether the SBHCs are operational from a construction, safety, and facilities standpoint by the end of the grant period.

Performance Metrics: The primary measure of success for this grant will be four fully operational SBHCs.

Summary

Scope of Grant:

Funds will be used to support the purchase of modular units (2) and renovation of space (2) for a total of

four new SBHCs.

Purpose of Grant:

To provide funds that contribute to the establishment of a SBHC that provides comprehensive, primary healthcare to students in Fulton and Clayton County.

History:

How the Grant Recipient was Selected:

- Formula Grant
- Competitive Grant (FOGA Number [Click here to enter text.](#))

Describe the grant process:

The SBHC planning teams in Fulton and Clayton County have met the primary objectives to move forward in the development of their SBHCs. They were awarded \$40,000 for planning in June 2023 (\$10,000 each for 4 schools) and are ready to move forward with phase two of the grant, which includes \$308,000 for renovation/infrastructure per school. This is a pre-established amount for renovation funds using the Governor’s Office SBHC grant received by GaDOE in Fall 2022.
