AGENDA

I. Action Items

1. **(Adoption) State Board Rule 160-5-6-.01 Statewide School Nutrition Program**
   a. The rule is being amended to comply with changes in Federal Law 111-296, The Healthy, Hunger-Free Kids Act of 2010.
   b. The rule is being amended to change the training and qualifications of nutrition workers:
      1. Core Training-In-Depth (TID) courses – courses authorized by state law and state board rule constituting 150 credit hours that must be earned within the first five years as a manager;
      2. Manager Trainee – adds "minimum of a" to "high school diploma or GED or was employed as a manager prior to September 1, 1998;"
      3. Manager I – adds "and has completed the core TID" to "has a high school diploma or GED or was employed as a manager prior to September 1, 1998;"
      4. Manager II – adds "and has completed the core TID" to "has a high school diploma or GED or was employed as a manager prior to September 1, 1998;" and
      5. Manager/Supervisor – adds "was employed as manager/supervisor prior to July 1, 2015 or hold an Associate degree [in nutrition or related field] or holds a Bachelor's degree [in nutrition or related field]."
      6. The rule was last adopted September 2014.

   Dr. Garry McGiboney presented this item. Dr. McGiboney explained that the rule had been posted for thirty days and three written comments were received; none were related to the amended sections of the rule. There was no Committee discussion. This item will not be placed on the Consent Agenda.

2. **(Adoption) State Board Rule 160-4-5-.02 Language Assistance: Program for English Learners (ELs)**
   a. The rule is being amended to:
      1. Replace "who score at the developing level or below" with "whose scores on the state-adopted English proficiency measure do not meet the state ESOL exit criteria shall continue to be eligible for language assistance services;"
      2. Add "Dual Language Immersion Model" as an option for school systems; and

3. Replace "or yearly equivalent" with "students eligible for language assistance services who are served by the state-funded ESOL program shall receive the equivalent of at least five segments per week."
4. The rule was last adopted May 2013.

Dr. Garry McGiboney presented this item. Dr. McGiboney summarized the proposed changes to the Rule and explained that the amended rule had been posted for thirty days, no comments were received. There was no Committee discussion. This item will not be placed on the Consent Agenda.

Buford City School System Board of Education Superintendent and staff: Geye Hamby, Angela Adams, Adam Fraley, Joy Davis and Jay Geardon
Hancock County School System employees: Matthias Jones and Alma Harper

The Committee addressed representatives from Buford City Schools, representatives of Hancock County Schools and representatives from Dublin City Schools (via conference call).

Buford City School Board:
Superintendent Geye Hamby discussed the reasons for the FY13 school board audit and noted it will not happen again. In the future if this happens again, a State Board member will call the superintendent of the school district and the CFO will call the superintendent to follow-up. Mauldin and Jenkins are the Buford City School's auditors and conducted their audit. This session of the meeting ended with the two parties agreeing to make sure that all audit reports will be submitted timely to the GaDOE board, Internal Audit unit, and the Financial Review department.

Hancock County Employees:
Hancock County School Board was represented by Alma Harper, Curriculum director and Matthias Jones, Finance Director. The committee discussed Hancock County Schools' financial deficit and the remediation plan to eliminate the deficit. Following discussion, Hancock County Schools' representatives agreed to provide the local school board with a remediation plan for approval.

Dublin City conference call:
A conference call was held with representatives of the Dublin City School System to discuss the districts' financial deficit. They discussed their remediation plan which has been proposed to their local school board. Following discussion, it was determined that the Dublin City School System will work to cut cost, increase furlough days and increase revenue.

Other Business:
Members of the Audit Committee met with the internal auditors and chief counsel to discuss the recent fraudulent event at Georgia Academy of the Blind. The Audit committee discussed the implementation of new policies and procedures on addressing and reporting fraud. The Audit Committee also requested that the internal auditors conduct fraud training for the three state schools to include the principals, finance personnel, and bookkeepers. The training will be conducted on August 21, 2015.

Adjournment:
The Audit Committee adjourned at 11:30 am.

1. **Manager trainee** – holds a minimum of a high-school diploma or GED or was employed as manager prior to September 1, 1988; employment in this classification has been uninterrupted; and the individual has completed 30 credit hours of core Training-In-Depth (TID) annually toward completion of 150 hours.

2. **Manager I** – holds a high school diploma or GED or was employed as manager prior to September 1, 1988; and has completed the core TID.

3. **Manager II** – holds an associate or more advanced degree; and has completed the core TID..

4. **Manager III** – holds a school nutrition director service certificate issued by the Georgia Professional Standards Commission.

5. **Manager/Supervisor** – was employed as Manager/Supervisor prior to July 1, 2015, or meets one of the following conditions:

- holds an associate degree in a specific major (food and nutrition, food service management, dietetics, family and consumer sciences, nutrition education, culinary arts, business or a related field) with two years of relevant school nutrition programs experience, or
- holds a Bachelor's degree in any academic major with two years of relevant school nutrition programs experience, or
- holds a Bachelor's degree with any academic major and a school nutrition director service certificate issued by the Georgia Professional Standards Commission, or
- holds a Bachelor's degree with academic major in food and nutrition, food service management, dietetics, family and consumer sciences, nutrition education, culinary arts, business, or a related field.

All manager/supervisors must complete 30 credit hours of core TID annually until all core requirements are met. All must meet the requirements of director as specified in paragraph (2)(a)5(ii) of Rule 160-5-1-.22 Personnel Required in systems of less than base size having four or fewer schools.

(c) **Competitive Foods** - foods defined by Title 7 of the Code of Federal Regulations (CFR) in Sections 210.11 and 220.12 as any food item that is sold to children other than foods sold or served as part of the National School Lunch (NSLP) and Breakfast (NSBP) Programs on the school campus during the school day or Smart Snacks, as defined by USDA regulations.

(d) **Core TID Courses** - Courses authorized by state law and state board rule for Classified School Nutrition Managers and constituting the 150 credit hours that must be earned within the first five years employed as a Classified School Nutrition Manager.

(e) **Georgia Professional Standards Commission (GPSC)** – a state agency with the central responsibility for establishing a certification/licensure process that is streamlined, understandable, and flexible in order to remove barriers and to attract qualified individuals to the education profession.

(f) **Local Board of Education (LBOE)** – a county or independent board of education exercising control and management of a local school system pursuant to Article VIII, Section V, Paragraph II of the Georgia Constitution.

(g) **Primary responsibilities related to meal accountability functions** – prepayment and collection of cash and counting meals at point-of-service except in kindergarten and special entities, including, but not limited to, special education, alternative schools, in-school suspension, and special events; counting cash for deposit; final and official approval and verification of free and reduced-price meal applications; oversight of the process for assuring accuracy and completeness of related regulatory functions; and maintenance of an official master list of eligible students.

(h) **School Campus** - all areas of the property under the jurisdiction of the school that are accessible to students during the school day.

(i) **School Day** - the period from 12:00 a.m. until 30 minutes after the official end of the school day.

(j) **School nutrition program director** – an individual who holds a school nutrition director service certificate issued by the GPSC and meets the requirements of director as specified in State Board of Education (SBOE) Rule 160-5-1-.22 Personnel Required.

(k) **School nutrition program director trainee** – an individual who holds a certificate issued by the GPSC other than that which is in-field; and completes 6 semester hours annually toward the requirement for a school nutrition director service certificate issued by the GPSC; and meets requirements of director as specified in

SBOE Rule 160-5-1-.22 Personnel Required (2)(a)5(i) for systems of less than base size having five or more schools.

(l) **School nutrition program personnel** – those program personnel whose job responsibility relates to the planning, purchasing, preparing, service, accounting required by the program and whose wages are eligible for payment from school nutrition program funds.

(m) **Smart Snacks** - science-based nutrition standards for snack foods and beverages sold to children at school during the school day.

(n) **State-approved nutrition program** – a federal lunch program which operates in every school and is available to every enrolled student in attendance during the period of 10 a.m. to 2 p.m. and a breakfast program as required by O.C.G.A. § 20-2-66, including notification in the dominant languages to parents and students of the availability of the school breakfast program in all participating schools.

(o) **State performance standard** – the standard used to allot state school lunch appropriations that prescribes a minimum of 85 lunches to be produced during eight hours of work by a full-time equivalent school nutrition position.

(2) **REQUIREMENTS.**

(a) Each local board of education shall through policy or administrative procedure maximize student participation and quality meals in the school nutrition program by providing the following:

1. Participation by all schools in a state-approved nutrition program.

2. A policy regarding the sale of competitive foods which includes the following, at a minimum:

(i) Adherence to Public Law 11 – 296, The Healthy, Hunger-free Kids Act of 2010 regarding exempt fundraisers; and

(ii) Prohibitions from the sale of foods that do not meet the federal criteria:

(I) During the school day; and

(II) On the school campus.

3. A job-related training program for school nutrition program personnel that when implemented:

(i) Adheres to the federal rules regarding Professional Standards for local school nutrition personnel.

(ii) Makes in-service training available to program personnel annually, based on local needs and consistent with requirements of Rule 160-3-3-.04 Professional Learning.

(iii) Requires all new employees to complete within the first full school year of employment training in program goals and philosophy, human relationships and service skills, safe and sanitary food handling, and first aid consistent with the department's curriculum or approved local alternate.

(iv) Facilitates 30 credit-hour training courses prescribed by the department through outline and/or curricula, sponsored by the local school system or postsecondary vocational school, and taught by school nutrition directors/managers or other qualified instructors.

4. Requires each food service facility to have at least one school nutrition employee on site to be certified as a food safety manager, designated for that one site, who has successfully completed a state-approved food safety training program and passed a professionally validated Certified Food Safety Manager (CFSM) examination that is accredited by the Conference for Food Protection or other accrediting agency as conforming to national standards for organizations that certify individuals.

5. Assignment of primary responsibilities related to meal accountability functions to school nutrition personnel.

6. In base-size school systems, system-level supervisory school nutrition personnel employed in addition to those required by paragraph (2)(a)5 of Rule 160-5-1-.22 Personnel Required and assigned to manage or supervise or train multiple school sites shall minimally meet requirements of a classified school nutrition manager/supervisor or school nutrition program director trainee.

7. A locally established salary schedule and number of full-time equivalent positions which meet or exceed the minimum state performance standard.

Authority O.C.G.A. § 20-2-66; 20-2-187.

Adopted: **Effective:**

160-4-5-.02 LANGUAGE ASSISTANCE: PROGRAM FOR ENGLISH LEARNERS (ELs).

(1) DEFINITIONS.

(a) **Dual Language Immersion** – an educational delivery model whereby students learn academic content through both their native language and a foreign language

(b) **English Learners (ELs)** – students whose primary or home language is other than English and who are eligible for services based on the results of an English language proficiency assessment

(c) **English language proficiency** – the level of language competence necessary to participate fully and learn successfully in classrooms where the primary language of instruction is English

(d) **English to Speakers of Other Languages (ESOL)** – an educational support program provided to help ELs overcome language barriers and participate meaningfully in schools' educational programs

(e) **Georgia Department of Education** – the state agency charged with the fiscal and administrative management of certain aspects of K-12 public education, including the implementation of federal and state mandates. Such management is subject to supervision and oversight by the State Board of Education.

(f) **Home Language Survey** – a questionnaire administered upon enrollment to each student's parent or guardian for the purpose of determining whether a language other than English is used by the student or used in the student's home

(g) **Language Assessment Conference (LAC)** – a meeting held to determine appropriate placement of ELs with borderline proficiency scores

(h) **Language assistance services** – supplemental language support programs that promote academic language development for students with limited English proficiency

(i) **Local Educational Agency (LEA)** – local school system pursuant to local board of education control and management

(j) **School** – any school or special entity as defined in State Board Rule 160-5-1-.03 Identification and Reporting of Schools

(k) **State-adopted English proficiency measure** – an English language proficiency test administered annually to all English learners (ELs) in Georgia for the purposes of

determining the English language proficiency level of students; providing districts with information that will help them evaluate the effectiveness of their ESOL programs; providing information that enhances instruction and learning in programs for English learners; assessing the annual English language proficiency gains using a standards-based assessment instrument; and providing data for meeting federal and state requirements with respect to student assessment

(l) **State-adopted English proficiency screening measure** – a formal measure of social and academic English language proficiency that assesses students' need for initial placement in supplemental language assistance services

(m) **Student Record** – the state's required end-of-year student data collection

(2) REQUIREMENTS.

(a) Eligibility for entry into and exit from language assistance.

1. Prior to entry into a school in Georgia, each student's parent or guardian shall complete a Home Language Survey or an equivalent to determine if a language other than English is used in the home or is the student's native language or first language. All students whose native language, first language or language of the home includes a language other than English shall be assessed for English language proficiency using the state-adopted English proficiency screening measure.

2. Initial eligibility for language assistance services shall be determined by the student's score on the state-adopted English proficiency screening measure.

(i) Students who have an English language proficiency score below proficient on the state-adopted English proficiency screening measure shall be determined to be English learners (ELs) and shall be eligible for language assistance services. Coding guidance for ELs can be found in the ESOL/Title III Resource Guide.

(ii) Students who have an English language proficiency score at or above proficient on the state-adopted English proficiency screening measure shall be considered English proficient and shall not be eligible for language assistance. Coding guidance for non-ELs is located in the ESOL/Title III Resource Guide.

3. All ELs shall be assessed annually on the state-adopted English proficiency measure to determine English language proficiency. Students whose scores on the state-adopted English proficiency measure do not meet the state ESOL exit criteria shall continue to be eligible for language assistance services.

4. Exiting from ESOL services.

(i) Students who score at the proficient level on both the composite score and the literacy (reading and writing) sub-score of the state-adopted English proficiency

measure shall be considered English proficient.

(ii) Students who do not score at the proficient level on both the composite score and the literacy (reading and writing) sub-score of the state-adopted English proficiency measure may qualify to have their continued eligibility for language assistance determined through a Language Assessment Conference (LAC). Guidance regarding student eligibility for a LAC may be found in the ESOL/Title III Resource Guide. The LAC shall be attended by the student's classroom teacher(s), the teacher providing language assistance services, and other relevant parties selected from the following: parent, principal or designee, counselor, school psychologist, or lead teacher. The LAC shall be conducted in accordance with the parameters outlined in the ESOL/Title III Resource Guide.

(iii) Students who are considered English proficient shall not be eligible for continued language assistance services and shall be exited from language assistance services.

(iv) Each LEA shall monitor students that are considered English proficient for two years after exit from language assistance services. These students shall be considered EL Monitored. Coding guidance for Monitored ELs is located in the ESOL/Title III Resource Guide. The monitoring process shall consist of a documented review of report card grades, state assessment results, classroom performance and teacher observations for the purpose of ensuring the successful transition to the general classroom. Additional guidance can be found in the ESOL/Title III Resource Guide.

(b) Language assistance service delivery models.

1. LEAs and schools shall provide English language assistance to all ELs. Such assistance shall be provided through the state-funded ESOL program or placement in a locally-developed language assistance program approved in advance by the Georgia Department of Education. Approved instructional delivery models include:

(i) Pull-out model – students are taken out of a general education class for the purpose of receiving small group language instruction from the ESOL teacher,

(ii) Push-in model (within reading, language arts, mathematics, science or social studies) – students remain in their core academic class where they receive content instruction from their content area teacher along with targeted language instruction from the ESOL teacher,

(iii) A cluster center to which students are transported for instruction – students from two or more schools are grouped in a center designed to provide intensive language assistance,

(iv) A resource center/laboratory – students receive language assistance in a group setting supplemented by multimedia materials,

(v) A scheduled class period – students at the middle and high school levels receive language assistance and/or content instruction in a class composed only of ELs,

(vi) A dual language immersion model – students participating in a dual language immersion program receive their supplemental English language support from the teacher providing instruction during the English portion of the academic day.

(vii) An innovative delivery model approved in advance by the Georgia Department of Education through a process described in the ESOL/Title III Resource Guide.

(c) Language assistance curricula and assessment.

1. Language assistance curricula in the state-funded ESOL program shall consist of plans of instruction which are adapted to the English language proficiency of students and are designed to develop: 1) listening, speaking, reading, writing and American cultural concepts and 2) the language of academic instruction used in language arts, mathematics, science and social studies.

2. All ELs receiving language assistance shall be assessed annually for language proficiency. ELs shall also participate in state assessments pursuant to Georgia State Board of Education rule 160-3-1-.07 Testing Programs--Student Assessment.

(d) Funding.

1. Students identified as eligible for language assistance services who are served by the state-funded ESOL program shall receive the equivalent of at least five segments per week of English language instruction using ESOL curricula in allowable service delivery models. For purposes of funding, ESOL-served students in grades K-3 shall be counted for a maximum of one segment at the ESOL weight; grades 4-8 students for a maximum of two segments at the ESOL weight; and grades 9-12 students for a maximum of five segments at the ESOL weight.

(i) The class is limited to the maximum size specified in State Board of Education Rule 160-5-1-.08 Class Size.

(ii) The state-funded ESOL program teacher shall hold necessary and appropriate ESOL endorsement or ESOL certification issued by the Georgia Professional Standards Commission.
