2. **EAP – System Waiver – Local School Board Governance – Dooly County School System.**  
Upon motion from Mr. Scott Johnson and a second by Ms. Lisa Kinnemore, the State Board of Education voted unanimously to deny the Dooly County School System's waiver request for the 2016 election year, of SBOE Rule 160-5-1-.36 (4) (A) Local School Board Governance and O.C.G.A. § 20-2-51 as authorized by O.C.G.A. § 20-2-244 to allow a current local school board member to seek re-election. The following information was considered and the recommendation to deny was made based on this information:
  - a. O.C.G.A. § 20-2-63 requires the State Board of Education to promulgate conflict of interest rules and regulations.
  - b. In compliance with O.C.G.A. § 20-2-63, the State Board promulgated conflict of interest rules, including nepotism provisions, in State Board Rule 160-5-1-.36.

- c. O.C.G.A. § 20-2-240 Duties and Responsibilities of State Board of Education states that rules, regulations, policies, and standards adopted by the State Board have the “full force and effect of law.”
- d. Dooly County School Board is requesting a waiver of the nepotism provisions in State Board Rule 160-5-1-.36 to allow one of its board members to qualify to run for a local board of education member position on the Dooly County School Board whose sibling also serves on the board.
- e. State Board Rule 160-5-1-.36 (5)(a)(1) states that “no person who has an immediate family member sitting on a local board of education or serving as the local school superintendent or as a principal, assistant principal, or system administrative staff in the LEA shall be eligible to serve as a member of such local board of education provided that the immediate family member’s employment in his or her position in the LEA began on or after January 1, 2010.”
- f. Section (5)(a)(2) of State Board Rule 160-5-1-.36 states “notwithstanding O.C.G.A. § 20-2-244(b), in local education agencies (LEA) in which the initial fall enrollment count conducted in 2009 pursuant to O.C.G.A. § 20-2-160 does not exceed a full-time equivalent count of 2,800, the State Board of Education shall be authorized to waive paragraph (5)(a)(1) of this rule upon the request of a local board of education or an individual attempting to qualify to run for local board of education member and in accordance with the provisions of subsections (d) and (e) of O.C.G.A. § 20-2-244.”
- i. Dooly County School System student enrollment is 1,374.
- g. Section (5)(a)(2)(ii)(IX) of State Board Rule 160-5-1-.36 states that a resolution from the local school board approving or disapproving the waiver request and outlining the reasons for its approval or disapproval must accompany the waiver to the State Board of Education, in addition to other provisions requiring statements on how approval of the waiver “will improve student performance” [Section (5)(a)(2)(ii)(IV) of State Board Rule 160-5-1-.36.]
- h. According to the minutes and records of the Dooly County Board of Education vote on the resolution regarding the waiver request of the nepotism provision of State Board Rule 160-5-1-.36, the Dooly County Board of Education member who requested the waiver participated in the vote on the local waiver resolution, making the final vote 3-2 in favor of the waiver resolution. The Department does not think that was an appropriate action by the Dooly County Board member who benefitted from passage of the waiver.
- i. The State Board, according to Section (5)(a)(2)(ii)(X)(iv) of State Board Rule 160-5-1-.36, shall approve or deny the waiver request no later than 45 days after receipt of the waiver request. Dooly County Board of Education waiver was received and verified on May 5, 2016 so the State Board is well within the 45 day period of to render a decision.

- b. In compliance with O.C.G.A. § 20-2-63, the State Board promulgated conflict of interest rules, including nepotism provisions, in State Board Rule 160-5-1-.36.

- c. O.C.G.A. § 20-2-240 Duties and Responsibilities of State Board of Education states that rules, regulations, policies, and standards adopted by the State Board have the “full force and effect of law.”
- d. Dooly County School Board is requesting a waiver of the nepotism provisions in State Board Rule 160-5-1-.36 to allow one of its board members to qualify to run for a local board of education member position on the Dooly County School Board whose sibling also serves on the board.
- e. State Board Rule 160-5-1-.36 (5)(a)(1) states that “no person who has an immediate family member sitting on a local board of education or serving as the local school superintendent or as a principal, assistant principal, or system administrative staff in the LEA shall be eligible to serve as a member of such local board of education provided that the immediate family member’s employment in his or her position in the LEA began on or after January 1, 2010.”
- f. Section (5)(a)(2) of State Board Rule 160-5-1-.36 states “notwithstanding O.C.G.A. § 20-2-244(b), in local education agencies (LEA) in which the initial fall enrollment count conducted in 2009 pursuant to O.C.G.A. § 20-2-160 does not exceed a full-time equivalent count of 2,800, the State Board of Education shall be authorized to waive paragraph (5)(a)(1) of this rule upon the request of a local board of education or an individual attempting to qualify to run for local board of education member and in accordance with the provisions of subsections (d) and (e) of O.C.G.A. § 20-2-244.”
  - i. Dooly County School System student enrollment is 1,374.
- g. Section (5)(a)(2)(ii)(IX) of State Board Rule 160-5-1-.36 states that a resolution from the local school board approving or disapproving the waiver request and outlining the reasons for its approval or disapproval must accompany the waiver to the State Board of Education, in addition to other provisions requiring statements on how approval of the waiver “will improve student performance” [Section (5)(a)(2)(ii)(IV) of State Board Rule 160-5-1-.36.]
- h. According to the minutes and records of the Dooly County Board of Education vote on the resolution regarding the waiver request of the nepotism provision of State Board Rule 160-5-1-.36, the Dooly County Board of Education member who requested the waiver participated in the vote on the local waiver resolution, making the final vote 3-2 in favor of the waiver resolution. The Department does not think that was an appropriate action by the Dooly County Board member who benefitted from passage of the waiver.
- i. The State Board, according to Section (5)(a)(2)(ii)(X)(iv) of State Board Rule 160-5-1-.36, shall approve or deny the waiver request no later than 45 days after receipt of the waiver request. Dooly County Board of Education waiver was received and verified on May 5, 2016 so the State Board is well within the 45 day period to render a decision.
- j. The Department’s recommendation is that the waiver be denied based on the vote by the Dooly County Board member who benefitted from the passage of the waiver.
- k. It is recommended that the waiver be denied.

Dr. Garry McGiboney presented the item. Dr. McGiboney explained the definitions and nepotism requirements as stated in Georgia law. He explained that according to the law the student enrollment in the Dooly County School System met the requirement to request a waiver. However, the Local Board resolution to request the waiver was approved by a 3 to 2 vote. The local board member seeking to qualify to run for the position cast a yes vote to request the waiver. Three people addressed the Committee regarding the waiver request (Roy McClendon-Thompson, E. Brian Watkins, and Sharal Young). The Committee discussed the number of laws involved in the waiver request and need for the entire SBOE to review and discuss the request. This item will be placed on the Agenda for a separate vote.

- b. Private schools that are interested in participating in the GSNS program had until July 1, 2016 to submit an application for the 2016-2017 school year.
- c. It is recommended that the State Board of Education authorize seven (7) new private schools for the GSNS program for the 2016-2017 school year, which if approved would make a total of 267 private schools approved for the 2016-2017 compared to 260 for 2015-2016 school year.
  - o 2014 = 3,300 SNS students
  - o 2015 = 3,800 SNS students
  - o 2016 = 5,100 SNS students

Dr. Garry McGiboney presented the item. Dr. McGiboney explained that if the SBOE authorized the additional seven schools, the total number of private schools authorized to participate in the Georgia Special Needs Scholarship program for the 2016-2017 school year would be 267. The Committee discussed the process for reviewing the schools. This item will be placed on the Consent Agenda.

Dr. Garry McGiboney presented the item. Dr. McGiboney explained that the Statewide Advisory Panel membership must consist of at least 50% parents of children with disabilities or individuals with disabilities.
