This School Resource Officer Agreement (“Agreement”), for reference dated July 1, 2024, is made by and between the Sacramento County Sheriff’s Office, on behalf of the County of Sacramento, a political subdivision of the State of California, (“SRO Provider”) and Folsom Cordova Unified School District (“District”) (collectively, the “Parties”) pertaining to the assignment of one or more school resource officer (each, a “SRO”, and collectively, “SROs”) by the SRO Provider to the District. The payment of fees to the Sacramento County Sheriff’s Office is a shared cost between the City of Rancho Cordova and Folsom Cordova Unified School District.

WHEREAS, the SRO Provider and District desire to provide for a program to help ensure the physical safety and wellbeing of all students, staff and school facilities of the District (the “SRO Program”); and

WHEREAS, in connection with the SRO Program, SROs in partnership with the District may act as role models to willing students; and

WHEREAS, in connection with the SRO Program, SROs focus on fostering relationship building, mentorship, coaching and personal connections to assist students in growing into responsible citizens; and

WHEREAS, in connection with the SRO Program, SROs and District shall take into consideration that some students may be negatively impacted by a law enforcement presence on campus; and

WHEREAS, in connection with the SRO Program, SROs strive to conduct themselves in their daily job duties utilizing procedural and restorative justice, equity, de-escalation, and community policing tactics to minimize the negative impact on affected students.

NOW, THEREFORE, the Parties hereto, in consideration of the mutual covenants, promises and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed, do hereby agree as follows:

1. Term of Agreement:

This Agreement shall be effective as of July 1, 2024, and shall terminate June 30, 2025, unless sooner terminated pursuant to the provisions of Paragraph 15. By mutual agreement of the Parties, this Agreement may be renewed twice for an additional one (1) year period for a total of three (3) years, and in such event the Parties shall confer in advance of such renewal to negotiate the terms applicable to such renewal.

2. Fee:

- 2.1 SRO Provider agrees to provide and pay the SROs' salary and employment benefits in accordance with the applicable salary schedules and employment practices of the Sacramento County Sheriff's Office and Memorandum of Understanding negotiated with recognized Police employee organizations ("MOU"), including but not limited to: sick leave, vacation leave, compensatory time off, holiday in lieu, retirement contribution, workers' compensation, unemployment compensation, life insurance, dental insurance, and medical/hospitalization insurance. - 2.2 In consideration of SRO Provider furnishing the SROs provided for in this Agreement, District shall pay SRO Provider the sum of \$282,994 (two hundred eighty-two thousand nine hundred ninety-four dollars) for the period of July 1, 2024, through June 30 2025, ("Compensation") in equal quarterly installments due and payable upon the commencement of services for each quarter, each quarter commencing on July 1, October 1, January 1, and April 1 respectively. Should this Agreement be renewed by mutual agreement, this Compensation may be increased upon the written agreement of the Parties.

3. Scope of Service:

During the term of this agreement, SRO Provider agrees to assign two officers as SROs serving the District with the following primary responsibilities (the "Services"). Based on the triad concept of school-based policing, SRO duties are divided into three responsibilities:

 - (b) To build relationships with members of the community served by the District through mentoring, coaching, and acting as a liaison to community resources.
 - (c) To provide information regarding safety to students, staff, the community served by the District, and the District.

- 3.3 To act as an integral part of campus Crisis Response Team, and to review and give input regarding the School Safety Plan.
- 3.4 To report serious crimes that occur on school campus and to cooperate with other law enforcement officials in the investigation of crimes that occur on campus.
- 3.5 To cooperate with other law enforcement officials in the investigations of criminal offenses which occur off campus.
- 3.6 To work cooperatively at the request of the District to reduce the incidence of truancy by students through education and acting as a liaison to connect students and families with support services. SRO's will accompany district staff on home visits when available, in situations that may be unsafe at the request of district staff.
- 3.7 To become familiar with and adhere to District Board Policies and Administrative Regulations regarding SRO response to student discipline and criminal activity on campus. If Board Policies and Administrative Regulations regarding criminal activity on campus conflict with State law, SROs must comply with the law but shall consult school officials about the inconsistency as soon as practical.
- 3.8 To provide data to the District representing types of student interaction with SRO, including the SRO's perceived opinion of the students' race and gender, if available and not otherwise restricted by law.
- 3.9 The Services shall be performed with reasonable and professional care consistent with a public K-12 educational setting and the standard by which such services are performed under prevailing custom and under applicable law.
- 3.10 Each SRO officer is to provide the district with a written, weekly, detailed report on the activities, and duties performed by the SRO for the ending week. Each Officer completes their own individual weekly electronic report (by the end of shift on the first day starting a new week) regarding staff, students, or school campuses if available and not otherwise restricted by law.
- 3.11 SRO's will ensure their body cameras are activated when interacting with students or staff where that interaction is or has the potential to be criminal in nature.

- 5.5 If due to an emergency, disaster, staff shortage, job action, or other event beyond the control of the SRO Provider, the SRO Provider is unable to supply a substitute officer, SRO Provider shall deduct a pro rata portion from the amount payable by the District at the next billing. In return, if the District faces an emergency or other event beyond its reasonable control, District can direct a reduction in SROs Services assigned under this Agreement for the duration of such event, in which case SRO Provider shall also deduct a pro rata portion from the amount payable by the District at the next billing.
