

# 2022 School Accountability Report Cards

January 25, 2023

Stephanie Griffin, Director of Instructional Technology

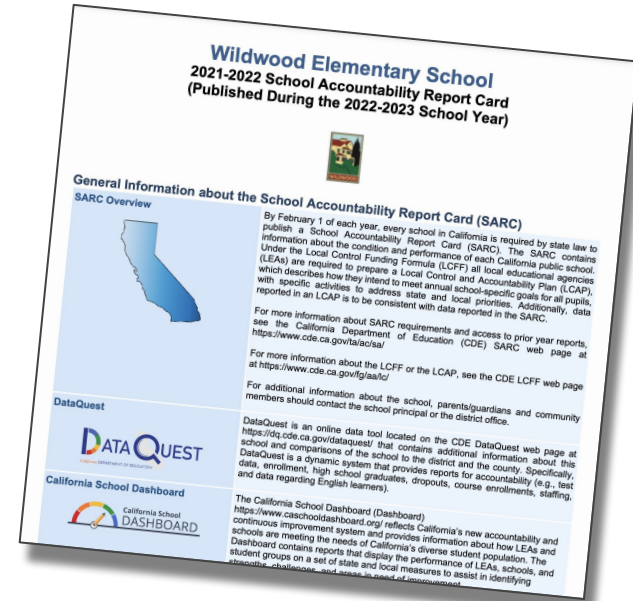

# What is a SARC?

- A document that contains a wide variety of information about a school.
- State and Federal laws require all public schools receiving state and federal funding to prepare and distribute a School Accountability Report Card (SARC).
- SARCs are updated annually and published by February 1st.

# What info does a SARC contain?

- Background information about the school and students:
  - Demographic information and enrollment numbers
  - School Climate
  - Academic Data
  - Class Sizes
  - Teacher and Staff information\*
  - Curriculum and materials
  - Facility Conditions
  - Parental Involvement

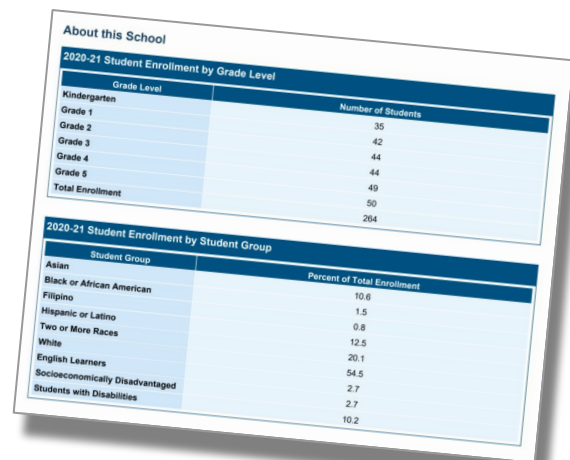

# Updating Process

Site and district leaders review and complete some sections

- Facility conditions
- Instructional Materials
- About the school, etc

The state populates some sections from data it has collected

- Academic testing data
- Teacher misassignments\*
- Some financial data
- Class sizes

The image shows two sample data tables from a school report card, tilted at an angle. The first table is titled 'About this School' and '2020-21 Student Enrollment by Grade Level'. It lists enrollment numbers for Kindergarten through Grade 5, and a total enrollment of 264. The second table is titled '2020-21 Student Enrollment by Student Group' and lists the percentage of total enrollment for various student groups, including Asian (10.6%), Black or African American (1.5%), Filipino (0.8%), Hispanic or Latino (12.5%), White (20.1%), English Learners (54.5%), Socioeconomically Disadvantaged (2.7%), and Students with Disabilities (10.2%).

**School Facility Conditions and Planned Improvements**

Piedmont High School was partially modernized in conjunction with the District's Seismic Safety Bond Program. The "30's" building was renovated, but other buildings on the campus not deemed a seismic collapse hazard at that time ("20's," "40's," "Alan Harvey Theater" and "Binks Gym"). However, Alan Harvey Theatre was demolished in Spring 2019 to make room for the new STEAM Building completed in the fall of 2020. The 10s building was demolished in Spring 2020 to make room for the new Alan Harvey Theater/Performing Arts Center. Priorities for PHS maintenance for other buildings has been roof and Mechanical/HVAC repairs and replacement. New carpeting was installed in the 20s and 30s building during Spring 2020. Classrooms and hallways in the 20s and 30s buildings were painted in Spring 2020 as well.

The passage of the H1 Bond in November 2016 has resulted in the design and construction of a new STEAM (Science, Technology, Engineering, Art, and Math) Building (completion in Fall 2020) and new Performing Arts Center (completed Summer 2022).

The school is rated in "good" overall condition by the Facility Inspection Tool.
