**RE: PROGRESS ON LCAP GOAL 2**

---

**PURPOSE:** To provide an update on progress made on the action items in two areas for LCAP Goal 2—Standards-Aligned Instruction to Maintain High Levels of Academic Achievement for All Students and Differentiated Learning.

**BACKGROUND:**

The Local Control Accountability Plan (LCAP) is a three-year plan that describes the goals, actions, services, and expenditures that public schools in California plan to use to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) like Piedmont Unified School District (PUSD) to share their stories of how, what, and why programs and services are selected to meet their local needs. PUSD uses the LCAP as its annual plan that describes all of the programs and priorities, including those that are not funded through state or federal funds.

PUSD's LCAP has three goals:

GOAL #1 - All students and staff will feel physically safe and emotionally supported as part of a caring and inclusive community.

GOAL #2 - All students will engage in relevant learning experiences that foster life-long curiosity, creativity, collaboration, critical thinking, communication, and responsible citizenship.

GOAL #3 - Teachers and staff, with district partners, will ensure an outstanding educational experience for every student through collaboration, innovation, and professional growth.

District staff will present progress on the action items for LCAP Goal 2 in the areas of Standards-Aligned Instruction and Differentiated Learning. Given the depth of work done in the area of Multi-Tiered System of Support for English Language Arts, it will be presented as its own topic at the Board meeting in March. The area of Equitable Teaching and Grading Practices will be presented as its own topic at a meeting in the spring.
