

Updates to the SRCS Cal-OSHA COVID-19 Protection Program (CPP) & Safety Handbook

February 23, 2022

On-Going Revision to a Changing COVID-19 Landscape

SANTA ROSA CITY SCHOOLS
STUDENT & FAMILY HANDBOOK (updates in **RED**)
2021-22 COVID-19 SAFETY (updated 2-23-22)

Topics for Review

- “Surge” and Current cases
- Voluntary Student and Staff “pool testing” updates
- Masking requirements due to COVID-19
- Review of substantive Cal/OSHA CPP changes
- Updates to Tiered Interventions

The information in the following slides provides additional information to guide discussion.

Sonoma County Case Information: Then 1-12-22

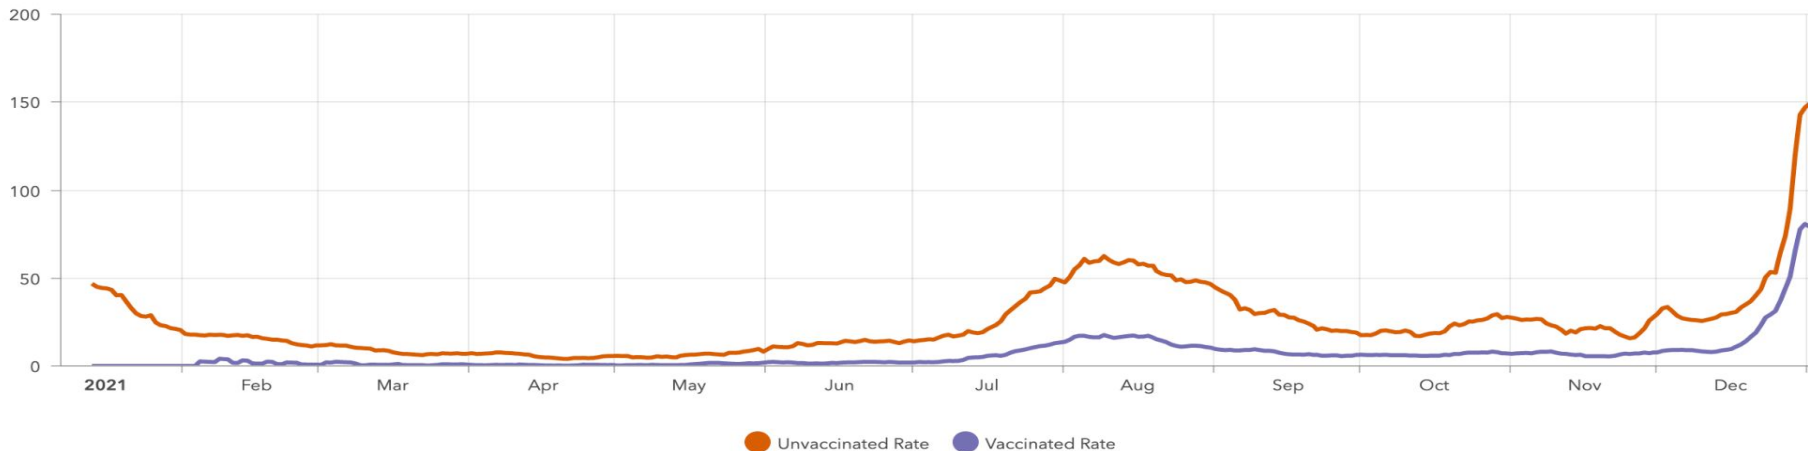

Sonoma County Cases

Active	Deaths	Recovered	Total
8409	421	41444	50274
1.65% of Population	0.8% of Cases	82% of Cases	9.87% of Population

Sonoma County Last 24 Hrs

Active	Deaths	Recovered	Total
↑4228	↑2	-2101	↑2129

New Cases per Day per 100,000 Residents, by Vaccination Status (7 day average, 7 day lag)

Sonoma County Case Information: Now 2-18-22

Sonoma County Cases

Active
7565

1.49% of Population

Deaths
464

0.6% of Cases

Recovered
73270

90% of Cases

Total
81299
15.97% of Population

Sonoma County Last 24 Hrs

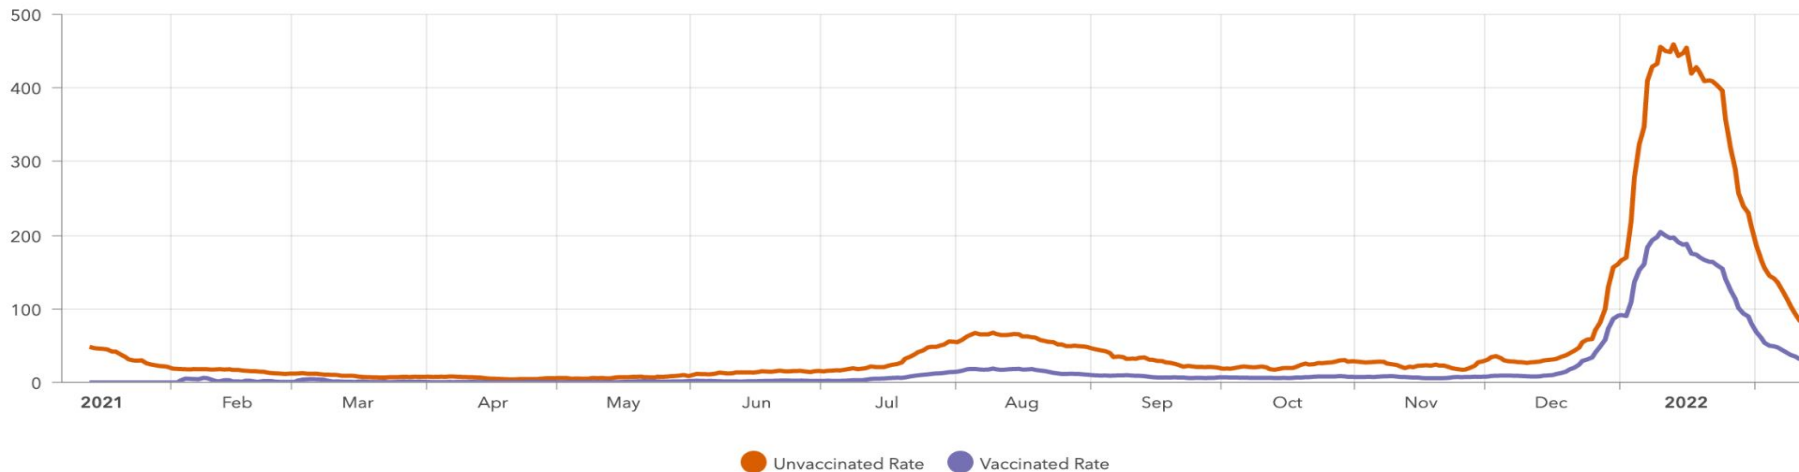

Active
↓734

Deaths
0

Recovered
↑936

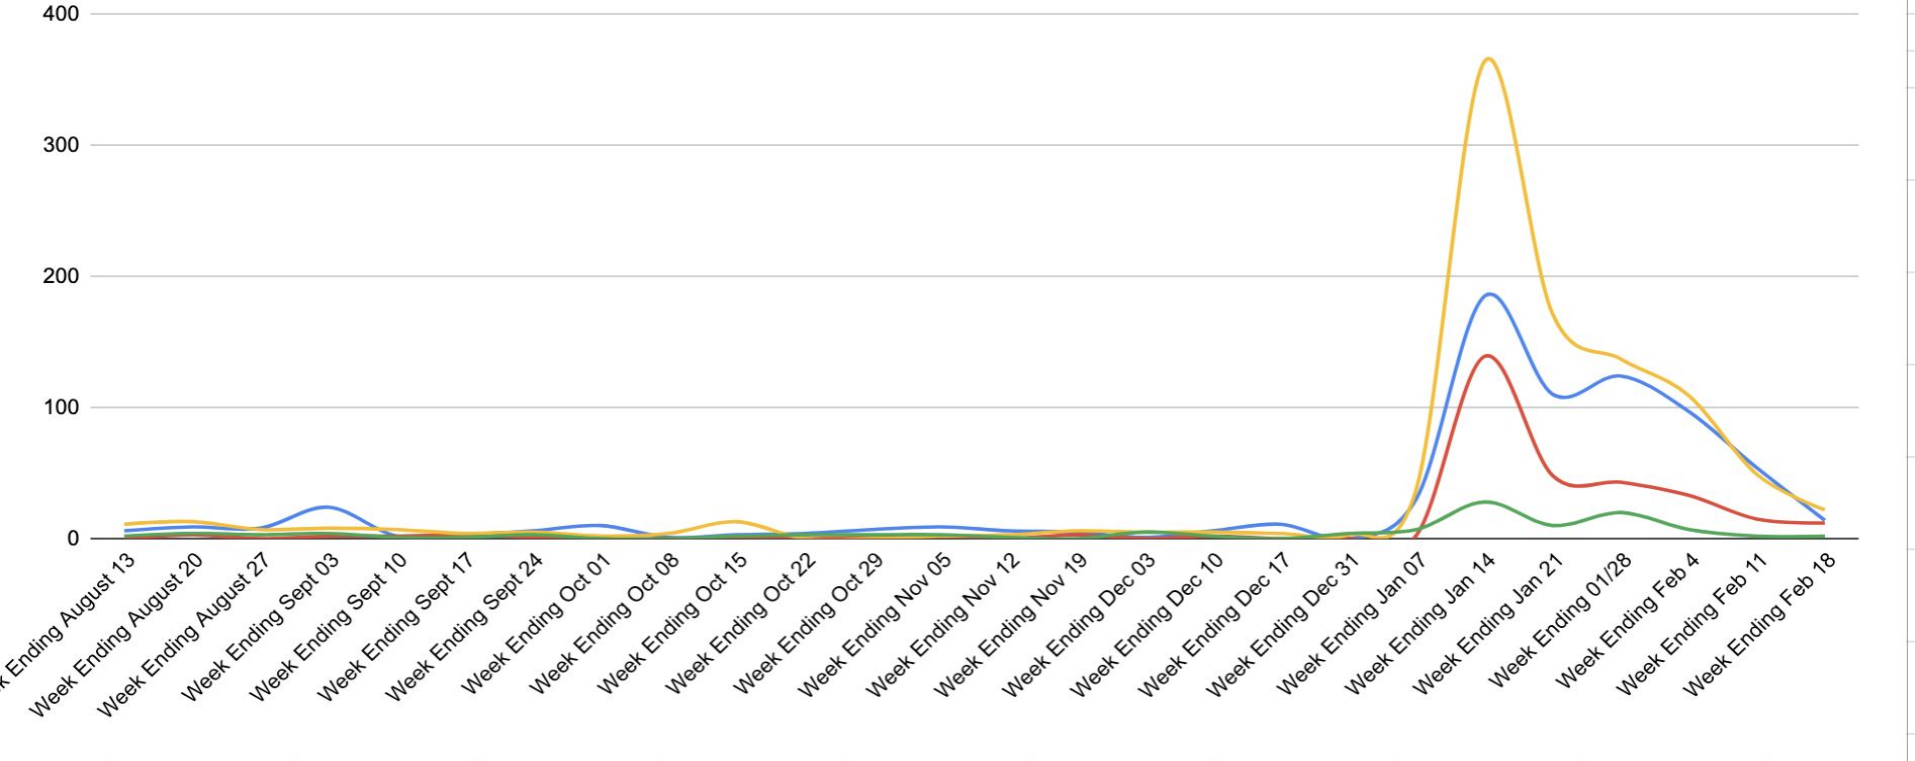

Total
↑202

New Cases per Day per 100,000 Residents, by Vaccination Status (7 day average, 7 day lag)

SRCS Confirmed Positive C-19 Cases Aug. 12 - Feb 18

— Elementary
 — Middle
 — High School
 — Staff

SRCS COVID-19 Dashboard Cases (updated 2-18-22)

Locations	Total Since August 12	Week Ending 2/18	Week Ending 2/11	Week Ending 2/4	Week Ending 01/28	Week Ending 01/21	Week Ending 01/14	Week Ending 01/07 *	Week Ending 12/31
Elementary*	736	14	54	97	124	110	185	31	0
Middle	313	12	15	33	43	48	139	3	0

Voluntary “Pool” Testing Updates

Currently, 5592 signed up for Weekly Pool testing

Last week, 2/7-2/11, we administered 4,992 tests

Last Week it was determined that 14 were found positive

Based on Community Case Rates will recommend reducing to twice Monthly testing effective: March 28th

-
- Voluntary Asymptomatic PCR Testing remains at Lewis Early Learning Academy
Mon - Thursday 2:30 - 5 pm
 - Rapid Sonoma County Symptomatic / Asymptomatic Testing open to Public
Monday & Friday 8:30 am - 3:30 pm

Current Masking Guidance / Requirements

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/guidance-for-face-coverings.aspx>

INDIVIDUAL	WHEN MASKING IS REQUIRED	WHEN MASKING IS NOT REQUIRED
Unvaccinated people	<ul style="list-style-type: none"> ● All public indoor settings ● All indoor K-12 or child care settings ● Public transit ● Emergency shelters and cooling/heating ctrs ● Healthcare settings ● Correction facilities and detention ctrs ● Long-term care & Adult/Senior care settings 	<ul style="list-style-type: none"> ● Outdoor public settings ● At home
Fully-vaccinated people (regardless of booster-eligibility)	<ul style="list-style-type: none"> ● Indoors K-12 or child care settings, when in presence students ● Public transit ● Emergency shelters and cooling/heating ctrs ● Healthcare settings ● Correction facilities and detention ctrs ● Long-term care & Adult/Senior care settings ● When required by employer 	<ul style="list-style-type: none"> ● Public indoor settings ● Public outdoor settings ● Indoor K-12 setting when NOT in presence students
Students	<ul style="list-style-type: none"> ● Indoors K-12 or child care settings (regardless of vaccination status) (is being reassessed and will hopefully have an update on 2/28) ● PLUS any settings that apply (above) depending on vaccination status 	<ul style="list-style-type: none"> ● Outdoor K-12 or child care settings ● PLUS any criteria (above) that apply

Substantive CAL/OSHA Changes

- Employee Booster Requirement
 - Test twice weekly
 - February 1 date moved to March 1:
- Employee Weekly “Self-Testing” Testing

(6) “COVID-19 test” means a test for SARS-CoV-2 that is:

((C) Not both self-administered and self-read unless observed by the employer or an authorized telehealth proctor. Examples of tests that satisfy this requirement include tests with specimens that are processed by a laboratory (including home or on-site collected specimens which are processed either individually or as pooled specimens), proctored over-the-counter tests, point of care tests, and tests where specimen collection and processing is either done or observed by an employer.

- New Mask Clarifications
 - For example, face coverings may be tightly woven fabric or non-woven material of at least two layers, but such masks should not let light pass through when held up to a light source. Gaiters now may be worn, but must have two layers of fabric or be folded to make two layers. A face covering must completely cover the nose and mouth and be secured to the head, cannot have any slits or holes, and must fit snugly.

SRCS Response to “Surge” Appendix A: “Substantial Tier”

Effective 2/24

- Remove Daily health screener through Parent Square for students and employees
- Remove Temperature taking for Indoor sports events
- Allow Indoor Event capacity per guidelines (Under 1,000)
- Allow In-person meetings that maintain other precautions e.g. Masking, Ventilation, Spacing when possible

In conjunction with lower COVID-19 Community Rates effective March 28th begin twice monthly voluntary student “pool” testing.

Additional Masking Update for K-12 Schools

- Expect Dr. Ghaly to make an announcement February 28.

Thank You
