Description of Services		Consideration			Evaluation and Metrics		
This Boys and Girls Club of Sonoma-Marina program will be addressing learning challenges created by the pandemic and to provide both academic and social emotional enrichment and learning to students as a means of helping prepare for the 2022-2023 school year. Boys and Girls Club will be offering robust day-long summer camp programs for SRCS students at Albert Biella and Luther Burbank Elementary Schools. The program will serve 4 classes of 20 students each, per site, for a total of 160 students served. Students will be served through a full day model that spans the hours of 9 AM - 3 PM. SRCS will provide academic learning support through the Let's Go Learn online application as well as other enrichment opportunities.		SRCS will offer a summer program in conjunction with the Boys and Girls Club at Albert Biella and Luther Burbank Elementary Schools. Students will participate in a program that includes academic and restorative social-emotional learning opportunities. Boys and Girls Club staff will also be able to utilize on-site school based therapists and social-emotional resources throughout the summer program.			Evaluation and metrics will be measured by enrollment, participation, and attendance. Furthermore, pre and post assessments focused on elementary foundational skills (math and ELA) will be used to evaluate program effectiveness and help school sites better target supports for students going into the 2022-2023 school year.

Description of Services		Consideration			Evaluation and Metrics		
Landpaths will designate 6 weeklong outdoor camps at several open space areas for SRCS students, ages 6-13, to attend. This includes providing the staffing and educational program supportive of social, emotional, and physical well-being.		Many classes in SRCS partner with LandPaths during the school year. Partnering in summer with LandPaths will provide students the opportunity to attend week-long outdoor day camps. LandPaths focuses not only on environmental stewardship but also social, emotional and physical wellness through experiences in nature. Feedback from last summer's program was positive, leading to the expansion from 4 weeks to 6 weeks this summer, providing more students the opportunity to participate.			Pre and Post data will be collected regarding engagement and the positive impact on student well-being.
