Vendor will spend two (2) days on the weekend to complete a mural project at Abraham Lincoln Elementary School. All materials needed to complete the project will be provided by the Artist Anthony Byrnes.		Anthony Byrnes provides artwork and large scale murals to schools and businesses. Lincoln had focus groups meet to discuss the school mural consisting of parents and staff. The focus group felt it was important to acknowledge the mascot, the leopard, as well as the slogan ¡Sí, se puede! also in English to represent the school community. The artist then provided multiple samples with the information the group requested. Once the top two mural samples were selected by the focus groups, the students KA-6th voted on which mural they liked best.			Mural project will be completed by April 30, 2022.

Description of Services		Consideration			Evaluation and Metrics		
Professional development and design sessions for EAHS staff to support the development of robust CTE Programs and school-wide experiences aligned to the new EAHS Graduate Profile. Development of tools and resources to support EAHS staffing using the Graduate Profile for redesigning culture and learning experiences.		Alignment to values stated in the Santa Rosa City Schools Mission, Vision, Priorities, the CTE Comprehensive Local Needs Assessment, and the 12 Essential Elements of a High-Quality CTE Program, our approach will focus on engaging diverse stakeholders to review a number of elements, including student-centered delivery of services, equity and access, gaps among subgroups, and program size, scope and quality. Additionally, this is a renewal contract, which is extending the work that was done with CCLA and EAHS in late Fall/early Spring of the 2021-2022 school year, which focused on ensuring that students have meaningful participation in the design of their learning experiences.			Students will participate in professional development to provide real-time feedback on projects designed. Alignment to the 12 Essential Elements of a High-Quality CTE Program, YouthTruth Student data on related to engagement will be analyzed, and participant feedback will also be collected after each design session and used to develop future sessions and next steps.
