## K-12 Public Schools and Libraries - California

This Distance Learning Program Addendum and Quote Form ("Addendum and Quote") makes additional products and services available for purchase by the Participating School District or School listed below ("Customer") under its Limited Distance Learning Agreement with Verizon Wireless ("Agreement") pursuant to the terms provided under that agreement and herein. It also confirms the continuation of the Agreement term until June 30, 2022 or the date all grant funding for Customer (if any) associated with the Agreement terminates, whichever occurs last. Finally, it provides a quote for the specified products and services.

This Addendum and Quote is contingent upon Verizon Wireless and Customer having executed a Verizon Wireless Limited Distance Learning Agreement, and is further subject to the terms of the associated sponsor agreement (which may also be referred to as an anchor agreement).

This Addendum and Quote supplements or changes the products and services listed under the Agreement as more specifically provided in Exhibit A hereto.

This Addendum and Quote cannot be combined with other Verizon Wireless credit offers, incentives, discounts or promotions.

Each line of service requires a term commitment, as more specifically provided in the Agreement.

**By executing where indicated below, the Customer agrees to the terms provided or otherwise referenced in this Addendum and Quote, as further provided in Exhibit A. No resale of products or services is permitted.**
