

May 5 2022

Addendum for item 1:

Vendor agrees to:

Prepare unitized hot lunches or cold bagged lunches for delivery or pickup inclusive of milk or juice each day, in accordance with the number of meals requested at the cost per meal listed below and at the following locations, which are subject to change.

Reimbursement is \$3.40 for each lunch delivered or picked up.

Reimbursement is \$2.10 for each breakfast delivered or picked up.

An added delivery charge of \$7 a day will cover delivery to sites in Petaluma.

An added delivery charge of \$10 a day will cover delivery to sites in Sonoma.

There will be no meal service July 4<sup>th</sup>.

Time as a public health control procedure is being used for the Summer Food Service Program. The kitchen agrees to keep a Temperature Log each day recording the time and temperature of menu items as they leave the oven and refrigerator. In addition, all bags going to the REFB Summer Lunch sites should indicate the time when the food is no longer safe to serve (ie. 4 hours after the time it has been removed from the oven or refrigerator) on the outside of the bag.

Lunch and/or breakfast will be served at the following locations and are subject to change. Changes will be submitted for approval to Santa Rosa City Schools prior to change. Days and times of operation, plus beginning and end dates are still in the planning phase and will be provided to the kitchen by mid-May. Complete lunch menus and breakfast menus for the summer will be supplied to REFB with the signed contract.
