The schools housing these services for their students will be Biella, Lincoln, Luther Burbank, Mary Lehman, Monroe, Brook Hill and Steele Lane. The Boys and Girls Club will provide direct services to 20 TK and Kinder students per site as well as maintain a waiting list to ensure that this is met. The District and the B&G Club will work together on the seamless integration of the after school regular program with the regular day program.			This program will be an expansion of the pre-existing extended day services that started in the school year 2020. The original contract date was approved on 6/10/2020.			Evaluation: There will be two formal evaluation meetings with the manager of the program and management from The Clubs. If areas of improvement are identified The Clubs shall be given written notice of deficiencies and 30 days to demonstrate corrective action. Failure to do so may result in a notice of termination as noted in section 12. If both evaluations are without deficiencies, then a renewal contract of two years may be considered dependent on funding available.
