► CURRENT MIDDLE SCHOOL BOUNDARIES

► CURRENT MIDDLE SCHOOL BOUNDARIES

► SCHOOL OF RESIDENCE VS SCHOOL OF ATTENDANCE

School of Residence

The school assigned to a student based on the boundary in which they reside regardless of what SRCS school they actually attend.

School of Attendance

The school a student attends in SRCS regardless of where they reside.

Example

Student A lives in the Santa Rosa Middle School Boundary and attends Slater Middle School. Their School of Residence is Santa Rosa MS but their School of Attendance is Slater MS.

RECOMMENDED BOUNDARIES AND RATIONALE

► RECOMMENDED BOUNDARIES (SCENARIO 5)

► RATIONALE FOR RECOMMENDATION

- Continuity from elementary school boundaries to middle school boundaries. Utilizing the Roseland School District boundary makes sense.
- Better balance of enrollment than other scenarios. Does not put too many students at Slater MS; adds more students to Comstock MS.
- Fewer complexities than some of the other scenarios. Makes transportation easier than other scenarios.
- Allows Elsie Allen HS to retain more students
- Sets up changes for Phase 2 better than other scenarios.
