Employer COVID-19 Testing Services Agreement

This Agreement is entered into effective as of November 1, 2020 (the "Effective Date"), between Curative Labs, Inc., with offices located at 430 South Cataract Ave, San Dimas, CA 91773 with clinical laboratories certified under the Clinical Laboratory Improvement Amendments of 1988 (CLIA) (collectively, "Curative") and the Sonoma County Office of Education, with offices located at 5340 Skylane Blvd., Santa Rosa, CA 95403 ("Company"). Curative and Company shall be referred to hereafter individually as a "Party" and collectively as the "Parties" to this Agreement.

Company wishes to engage Curative as a provider for COVID-19 testing services solely for the purposes of screening its employees for working on-site, upon the terms and conditions set forth in this Agreement and further described in Exhibit "A" ("Services"). Curative wishes to provide to Company's employees who work at the Company's offices or other premises, the Services, upon the terms and conditions described below.

Curative will provide a physician duly licensed under California law for the laboratory order for the testing under this Agreement. The Company understands Curative will not provide a medical review by a physician in the Services under this Agreement. This specifically means that testing results will not be reviewed by a licensed physician.

Both Parties agree that Curative will be solely billing the employee's medical insurer (if the employee's medical coverage is self-insured by the employer, for purposes of this Agreement, "insurer" shall include the Third-Party Administrator of that self-insured medical coverage) and Curative is solely responsible for all costs associated with the Services. Curative shall not bill the Company or employees for any amounts under any circumstances.

Both Parties agree that Company has represented that its employees are "Essential Workers" as defined by California state law and emergency COVID-19 rules (Cal Code Regs. Tit. 28, §1300.67.01).

Important limitations of the COVID-19 Employer Testing Service:

I. All employees using the Services must sign a **Consent & Release Form**, as attached hereto as Exhibit "B", prior to the collection of samples by Curative.

II. It is the Company's responsibility to obtain the employee's signature on the Consent and Release Form, and the Company covenants that it will obtain a signed Consent and Release Form from all employees submitting a sample for the Services prior to shipping the samples to Curative.

III. The Company will use reasonable efforts to associate/link the barcode on each collection device to individual employees. Company understands, Curative does not collect the samples, and therefore cannot be responsible for the barcoding at the sampling stage of the testing process.

IV. The Company understands:

- a. As with all tests, there is a risk of false negatives. There is also a risk that some infected individuals may have some level of COVID-19 infection below the sensitivity of the testing method, but Curative shall still be responsible for performing the laboratory testing in accordance with all accepted standards.
- b. There is an on-going risk of COVID-19 infection, so repeat testing of employees on a regular basis should be considered as appropriate under certain circumstances, and Company will establish the frequency of testing guidelines based on the recommendations of its advisors.
- c. Influenza and other infectious diseases are not tested for under the Service. This Service only tests for the presence of the virus that causes COVID-19 (SARS-CoV-2).
- d. In accordance with Center for Disease Control (“CDC”) guidelines, employees displaying observable flu-like or COVID like symptoms during sample collection should be instructed to contact their personal medical provider and self-isolate.

In consideration of the mutual covenants hereinafter set forth, the Parties, intending to be legally bound, agree as follows:
